2. The Karwar Elec. Supply & Trading Co., Ltd. has submitted application for a license for the supply of electricity to area comprised within the Municipal limits of Karwar Town and a portion of D.L.B. area named Nandangadda and has forwarded copies of 3 successive issues of the 'Vichara', dated the 21-3-1951, 1-4-1951 and 11-4-1951, wherein the draft license has been advertised. The Coy. has furnished —

a) 6 copies of the draft license.

b) 4 copies of deposited map and a map of transmission and distribution system.

c) Memorandum and articles of Association.

d) Statement of Financial data.

e) A treasury receipt for the fee of Rs.500/-

The Coy. has also furnished copies of the resolutions passed by the D.L.B. and the Muny. to the effect that they have no objection to the grant of the license to the Coy.

3. The Coy. has advertised the license within time vide Rule 15(1) of the I.E.Rules 1937. It will however be seen from para. 2 of the advertisement that the applicants have not kept a copy of the map of the area of supply and the draft license at the offices of the local authorities concerned as required by rule 12 of the said rules. Before proceeding further with this case the discrepancy may be brought to the notice of the applicants and they may be requested to set right the discrepancy and advertise about it as per draft put up for approval

2. The applicants for the Karwar Electric License have complied with the G.L. and furnished a copy of the local news paper, 'Vichari' wherein the advertisement has appeared. Their applications for license may now be proceded with.. They have furnished -

(a) copies of draft license,
(b) copies of deposited map and a map of transmission and distribution system,
(c) Memo and articles of Association,
(d) Statement of financial data.
(e) Treasury receipt for the fee of Rs.500/-,

3. The draft license - submitted by them is on the lines of the model form of license and seems to be in order. The detailed conditions therein will be scrutinised in consultation with the El.Engr.

4. The applicants have furnished 4 maps as required. They will be asked to carry out modifications in these maps later, if necessary, in consultation with the El.Engr..

5. Memo & Articles of Association - The El.Engr., and the El. Commissioner will be asked to keep these particulars in view while offering their final remarks on the Coy.'s request for license.

6. Treasury Receipt - This may be sent to the A.G., Bombay,

7. Statement of Financial data - The El.Engr. and the El.Commr. may see this u.o. and state if any further information in this connection requires to be called for from the applicants.

8. The notice of application published by the party may now be re-published in the B.G.G. The drafts put

Below U.O.R.No.LKB.1051/44571 dated the 21st June 195
from Government in the Public Works Department.

No. LRM 31 / 4164 of 1951.

Bombay, 4th July 1951.

Passed on, with compliments, to the Chief Engineer, Bombay Electric Grid, Bombay.

2. The matter was discussed with the Managing Director o Kanara United Industrial Corporation, Ltd., who are the Manag Agents for the Kanara Electric Supply & Trading Co., Ltd., an it is observed that the Company which is registered at Karwar already has an authorised capital of Rs.5,00,000/-, issued cap of Rs.4,00,000/- and paid-up capital of Rs.1,51,305/-. I, there fore, consider that the Company is financially capable for the purpose of running the supply undertaking.

3. As regards the technical side, Shri L.G.Patharkar, the Consulting Engineer of the Company, is quite competent and already possesses wide experience of the technical matters concerning such undertakings.

Electrical Engineer to Govt.

OFFICE OF THE ELECTRICAL COMMISSIONER WITH THE GOVERNMENT OF BOMBAY
Inward No. 22247
706

Below P.W.D. U.O.R. No. LKB 1051/4 dated 21-6-1951 received through the Electri Engineer' to Government under his U.O.R. No LRM 31/4164 dated 4-7-1951.

Electric Grid Offi

The applicant proposes to install sets of 50 KW each whereas the night demand expected to be more than 50 KW. Therefore, one of the sets is out for overhaul and repa the lighting supply will have to be curtaile so as to keep it within the limits of the capacity of one set. He may, therefore, be asked to install 2 x 75 KW sets initia-lly in place of 2 x 50 KW sets as proposed by him.

Except for the above, the financial and technical data furnished by the applicant on the basis of 2 x 50 KW sets appear to be i order. However, it will be seen from the dra license, that the licensee's proposed maxima rates including the minimum charges for supply of energy are higher than the rates on which he has based his financial estimates and are much higher than those approved by Government for the licenses lately granted by Government for (1) Kapadwanj Town Electric License, 1949 (2) The Kheti Sahayak Vidyut License, Bardoli, 1950, and (3) Dahanu Road Electric License, 1949 Since according to Electricity Supply Act, 1948 the licensees are entitled to earn a reasonable return as defined under Clause I of Schedule VI of the Act and to call for a Rating Committee when necessary under Section 57 for revision of their rates for supply, it is not considered desirable to allow such high maxima rates as

P.T.O.

10 11

-2-

roposed by the applicant. It is, therefore, uggested that Government may fix the rates s shown in the estimates at page 11 of C.S. the maxima rates under this license. ne rates for domestic appliances, minimum harge, etc. may also be adjusted accordingly.

There is no objection to the grant a license for Karwar.

Submitted.

2. These papers deal with the application of the Karwar Elec. Supply & Trading Co. Ltd. for a license to supply electricity in Karwar town. The applicants have furnished the necy. information & have followed the usual procedure. No objections have been received from any party and there is no other applicant for this license.

3. The Elecl.Engr. has examined the technical and financial side. He considers that the Coy.is financially capable for the purpose of running the undertaking. He also considers the Consulting Engr. of the Coy. quite competent to carry out the work.

4. The C.E., B.E.G., suggests, for the reasons stated by him, that the applicants may be asked to install 2 x 75 kW. Sets initially in place of 2 x 50 kW. sets proposed by them. He also suggests that high rates for supply of electricity (13 as. a unit for lights & fans, etc.) proposed by the applicants may not be allowed. Instead of those rates he recommends the rates shown at p.11 of c.s. (10 as. a unit etc.) Excepting his above suggestion he considers the financial and technical data furnished by the applicants to be in order.

5. The Collr. has intimated that the D.L.B., Kanara, and the Karwar Muny. have no objection to the license being granted to the applicants. As regards the rates for electric supply he is of the same opinion as the C.E. He states that the rates would be beyond the capacity of the common people there and suggests that the maximum rate for lights & fans may be fixed at annas 8 a unit which is the rate sanctioned in case of Sirsi. He further suggests that the period of 3½ years,

proposed ....

proposed by the applicants for the execution of the works, may be curtailed to 12 months only.

6. It will thus be seen that there is no objection to grant the license to the applicants. As regards the suggestion of the C.E. and the Collr. about rates* it may be stated that the rates sanctioned in case of Sirsi (annas 8 a unit for lights fans etc.) would be the proper rates in this case as the local conditions at Sirsi and Karwar may nearly be the same. As regards the period for completing the works, a period of 1½ years is allowed in the case of Sirsi and there appear no grounds to justify a longer period for completion of the works in this case. If it is decided to grant the license to the applicants, the Elecl.Engr. will be asked to put up the draft license, keeping in view the above observations and these points may be further considered at that time.

* slip 'R' in file LKB 1051 below.

7. It is for orders whether the license may be granted to the applicants.

THE KARWAR ELECTRIC LICENCE, 1951

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910

*Note.—Portion in bracket to be added where necessary.

License.—License is hereby granted to The Karwar Electric Supply & Trading Co. Ltd (~~carrying on business in partnership~~ under the ~~name and style of Messrs.~~) and having ~~his~~ its registered office at Durga Sadan, Karwar ~~their~~ Dist North Kanara.
to supply energy in the area with powers and upon the terms and conditions specified below:—

1. *Short Title.*—This license may be cited as "The Karwar Electric License 1951"

2. *Interpretation.*—In this license—

(1) "Act" shall mean the Indian Electricity Act, 1910

(2) "rules" shall mean the rules made under the Act

(3) "licensee" shall mean and include the said Karwar Electric Supply & Trading Ltd and ~~his~~ its permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed for the purpose of identification, by the Secretary to the Government of Bombay in the Public Works Department and by the licensee;

(5) the commencement of this license" shall mean the date of the notification by the Government of Bombay in the *Bombay Government Gazette* by which this license is granted;

(6) "Government" shall mean the ~~Provincial~~ State Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. *Security.*—(1) The period within which the licensee shall show under sub-clause (*a*) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwiee ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (*b*) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. *Area of Supply.*—The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as "the area of supply"

shall be the whole of the area comprised within the Municipal District of ~~limits of the Village Panchayat of~~ Limits of Karwar Town and a portion of District Local Board area named Naudangadda which is shown by ~~in the~~ yellow & red coloured line on the deposited map, and is bounded as follows :—

*Name of the colour to be specified.

(a) Municipal area of Karwar Town

North—By Kali Nadi

East—By Kali Nadi creek + Baad

West—By Arabian Sea

South—By Hill

(b) Portion of D.L.B. area named Naudangadda.

By Sunkeri Village.

By Kali Nadi + Kathekon Village.

By Portion of Kali Nadi + portion of Karwar Municipal area named Kodibag.

By Baad.

5. *Area of Compulsory Supply.*—(1) The licenses shall, within a period of eighteen months from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map—

(1) Strom Power House to Police Head qrts Lines

(2) marked A K G M P R V B.

(2) Strom Power House to Post office towards the South upto KONE Rest House flag staff marked A C D E.

(3) Strom Post office to Mitra Samaj Junction to D.F.O's Bungalow marked D F N O W I

(4) Strom Mitra Samaj Junction along Kaikini Rd upto Keshava Seth Road Junction marked F L G T. H.

(5) Lane opposite Radhakrishna Temple Marked K.L

(6) Sunday Market area, depot Road Marked M N.

(7) Chandavarkar Road marked O P

(8) Seth Shantaram House Road marked W R

(9) Binge ghat road marked S.T.

(10) Murdeshwar Math Road marked M U.

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within six months from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within eighteen months therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. *Revocation of License.*—If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of eighteen months is unsatisfactory, the license shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. *Purposes and Limitation of Supply.*—(1) Subject to the provisions of this license and the Act and the rules, the

licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes :

Provided firstly, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved—

(*a*) the form of requisition to be made by such owner or occupier for such supply of energy ;

(*b*) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(*c*) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(*d*) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electric Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus, on such premises, has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. *System of Supply.*—(1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three or four-wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :—

(*a*) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc. ;

(*b*) 400 volts between phases for motive power purposes and purposes other than those specified in (*a*) above ; and

(*c*) Any Pressure upto 6600 volts for feeders and for supply to any large consumers for power purposes :

4

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid undergound :

Provided that—

(*a*) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government ;

(*b*) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate ;

(*c*) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(*d*) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic ; and

(*e*) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as *Fifteen* pounds per square foot.

9. *Generating, Receiving, Transforming and Distributing stations.*—(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-station, if so desired by the ~~Provincial~~ State Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short-circuits, etc., and the log book shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. *Purchase of Energy in Bulk.*—(1) The licensee shall take from any ~~Provincial~~ Government generating station such power as he required for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. *Rates—Limits of Prices to be Charged.*—The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (*c*) of sub-section (*3*) of section 23 of the Act such maxima as Government may fix on approving the method, namely :—

(A) Where energy is supplied by meter.

(1) For general supply purposes, viz. :—

(*a*) for lights and fans—A rate of annas eight per unit ;

(*b*) for heating, refrigerating and other domestic and general purposes—A rate of annas Three per unit.

Minimum charge.—A minimum charge of Re 3/- per month may be made in addition to meter hire whether energy to that extent has been consumed or not.

(2) For motive power purposes, and purposes other than those mentioned in items 1 (*a*) and (*b*) above :—

A standing charge per month for service at the rate of Rs 3/- per B. H. P. of connected load for the supply of which licensee is required to make provision and in addition a charge ~~for current determined by meter as follows :—~~ of Annas Three per unit for energy consumed

(*i*) for the first units consumed per B. H. P. per month—A rate of annas per unit ;

(*ii*) for all excess units consumed during the month—A rate of annas per unit.

Note.—(*a*) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(*b*) The term "connected load" occurring in this sub-clause, shall mean the total rated capacity of the motor or motors in B. H. P. connected to the installations.

(3) *Meter Rent.*—The rent to be charged for meters shall not exceed—

Annas eight per month for a single phase A. C. Meter.
~~Rupee~~ One per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter, a fixed rate of Rs 1-8-0 per mensem shall be charged for a twenty watt light and Rupee one for every additional twenty watts or part thereof burning for not more than six hours per night.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Karwar Town or authority of D. L. Board area to the said Municipality or D. L. Board for the supply of energy for public lighting upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

11. The rates to be charged by the licensee for energy supplied by him shall be governed by the provisions of Section 57 of the Electricity (supply) Act, 1948 and other relevant provisions of law in force from time to time.

May be deleted for substitution of Sec. 57 of Act 54 of 1948

12. *Unpaid Apprentices.*—The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distributing system:

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. *Nomination of a Director by Government.*—If the license is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall however have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. *Agreement between the Licensee and the Managing Agents.*—The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (*2*) of the Act.

15. *Breaking up of Streets.*—The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. *Breaking up of Railways.*—In pursuance of the provisions of sub-section (*5*) of section 12 of the Act, the licensee is hereby specially authorised within the area of supply to break up the soil and pavement of the portions of the so far only as concerns level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16, be determined by Government whose decision shall be final.

16 *Purchase of the Undertaking.*—(1) The option of purchase given by sub-section (*1*) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (*d*) (*ii*) of sub-section (*2*) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is

purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

17. *Assignment of the License.*—At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the ~~Province~~ of Bombay in accordance with the law for the time being in force in ~~British~~ India, or, in Great Britain under any enactment relating to companies for the time being in force there and having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer, the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

18. *Submission of Annual Accounts.*—The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial data in the form prescribed by Government.

19. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

Dated this day of One thousand nine hundred and

Below U.O.R.No.LKB/1051 dated the 24th December 195[illegible] from Government in the Public Works Department.

No. L 88/4607 of 1951-52.
Bombay, 16th January 1952.

Returned, with compliments.

2. A final pp draft license in the form in which it may be granted by Government is enclosed herewith. The deposited maps submitted by the Company have been scrutinised and found to be in order. The rates quoted by the applicants appear be high and have, therefore, been reduced so as to bring in line with the rates sanctioned in the case of the Sirsi Electric License.

3. As regards the period for completing the works, I agree with the Secretariat office note at page 20 that the period of 1-1/2 years would be sufficient for the purpose and there is no justification for a longer period.

4. Clause 16 of the license has been deleted, as there are no railway lines within the area of supply of theapplicants.

Submitted with reference to the o.n. at p-21 ante.

2. The El. Engr. has put up the final draft licence. PP 23-30 He has also scrutinised the deposited maps. As regards the period for completing the works, he agrees with this office that it should be 1½ years. He has put this period in the draft licence. As regards the El. Engr's remarks regarding rates, P-31 the point of prescribing rates does not now arise as Govt. of India have since advised that the provisions in respect of limits of prices to be charged for supply of energy should not be incorporated in the licenses. Clause 11 P-27 of the draft licence may therefore be deleted and the following clause may be put in its place—

"11. The rates to be charged by the licensee for energy supplied by him shall be governed by the provisions of section 57 of the Ely (Supply) Act, 1948 and other relevant provisions of law, in force from time to time."

Above clause ~~is being~~ incorporated in the Bhor Elec. licence as directed by the Secy.

3. These pps. may now be referred up. to the R.L.A. for the scrutiny of the draft licence with legal standpoint of view: Are these drafts not now stand-d: and is reference to D.D. necessary?

2. In view of the G/I. letter No EL II-I (76) of the 4-1-52, advising that Govt. not to incorporate any provision in the licenses, reg the limits of prices to be charged for elec. supply, it has been decided to omit the clause reg. charges for elec. supply and to substitute in its place the following provision:-

"The rates to be charged by the licensee for energy supplied by him shall be governed by the provisions of Section 57 of the Electricity (Supply) Act 1948 and other relevant provisions of law in force from time to time."

vide Secy's note in this con. on p-49 of file No. 1098/48 put up below. Clause No. 11 of the Harwar Elec. licence has been worded accordingly.

3. It has since been considered advisable to include some provision in the licence compelling the licensee to get his initial charges approved by

by Govt. This question is being dealt with separately. That case has been received from the Ex. Engr. who has questions the validity of such a provision. The case is being submitted separately

DRAFT.

THE KARWAR ELECTRIC LICENSE, 1951.

LICENSEES :- The Karwar Electric Supply and Trading, Company, Limited, Karwar (Dist. North Kanara).

Date of application ;-- 12-3-1951

N. P. Wagle,
Chairman,
BOARD OF DIRECTORS,
THE KARWAR ELECTRIC SUPPLY AND TRADING CO., LTD.,
KARWAR (DIST. NORTH KANARA)

M. P. P. Karwar.

NOTICE.

The Karwar Electric Supply and Trading Company, Ltd.
Durga Sadan, Karwar (Dist. North Kanara)

NOTICE is hereby given that the Karwar Electric Supply and Trading Company, Ltd., Karwar (District North Kanara) have submitted an application to the Secretary to Government Public Works Department, Bombay, for the grant of a license under section 3 of the Indian Electricity Act, 1910, to supply electrical energy throughout the Municipal limits of Karwar town and a portion of District Local Board area comprising part of area of Nandangadda for the purpose and upon the terms specified in the draft license produced below :-

Copies of the draft licence may be obtained on payment of a sum of Rupee one per copy and the map of area of supply may be inspected at the office of the Karwar Electric Supply and Trading Company, Ltd., Durga Sadan, Karwar.

Every Local authority, company or person desirous of making any representation to the local Government or of bringing before it any objection regarding the above application may do so by letter addressed to the Secretary to the Government of Bombay, Public Works Department, Bombay, within three months from the date of this notice, a copy of the representation or objection being furnished to the applicants at the same time vide Rules 15 and 16 of the Indian Electricity Rules, 1937".

" The Karwar Electric License, 1951 ".

Applicant :- The Karwar Electric Supply and
Trading Company, Ltd ,
Durga Sadan,
KARWAR
(Dist. North Kanara).

DRAFT
THE KARWAR ELECTRIC LICENSE, 1951.

License granted by the Government of Bombay for the supply of Energy under tho Indian Electricity Act, 1910.

LICENSE- License is hereby granted to Karwar Electric Supply and Trading Company, Ltd , Karwar (North Kanara) carrying on business by a joint stock company under the name and style of the Karwar Electric Supply and Trading Company, Ltd., Karwar, and having its registered office at Durga Sadan, Karwar (North Kanara) to supply energy in the area with the powers and upon the terms and conditions specified below :-

1. Short title:- This license may be cited as **" The Karwar Electric License 1951 "**

2. Interpretation - In this license-

(1) "Act" shall mean the Indian Electricity Act, 1910;

(2) "Rules" shall mean the rules made under the Act;

(3) "Licensee" shall mean and include the said Karwar Electric Supply and Trading Company, Ltd., and its permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification, by the Secretary to the Government of Bombay in the Public Works Department and by the licensee ;

(5) " the commencement of this license " shall mean the date of the notification by the Government of Bombay in the Bombay Government Gazette by which this license is granted;

(6) "Government" shall mean the Provincial Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3 Security :- (1) The period within which the licensee shall show under sub-clause (a) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (b) of subsection (3) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (b) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. Area of supply.- The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as " the area of supply, " shall be the whole of the area comprised within the Municipal limits of Karwar town and a portion of D. L. B. area named Nandangadda, which are shown by yellow and red coloured lines respectively on the deposited map and are bounded as follows :-

(a) MUNICIPAL AREA OF KARWAR TOWN.

North - By Kali Nadi.
East - By portion of Kali Nadi creek and of Baad.
West - By Arabian sea.
South - By hills.

(b) PORTION OF D. L B. AREA NAMED NANDANGADDA.

North - By Sunkeri Village.
East - By Kali Nadi and Kathinkon village.
West - By portion of Kali Nadi and portion of Karwar Municipal area named Kodibag.
South - By Baad.

5. Area of Compulsory Supply:- (1) The licensee shall, within a period of three and half years from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map-

(1) From Power House to Police Headquarters Lines marked AKGMPRVB
(2) From Power House to Post Office towards the south up to KONE Rest house flag staff marked A C D E.
(3) From Post Office to Mitra Samaj Junction to D. S. P's bungalow marked D F N O W I.
(4) From Mitra Samaj Junction along Kaikini road up to Keshav Seth road Junction, marked F L G T H.
(5) Lane opposite Radhakrishna temple marked K L
(6) Sunday market area, depot road marked M N.
(7) Chandawarkar road marked O. P.
(8) Seth Shantaram house road, marked W R.
(9) Bingeghat road, marked S, T.
(10) Murlidhar Math road marked M. U.

Note :- The supply of electrical energy shall be given during night time only till such time as sufficient day load is available.

(2) In the case of any difference between the description of streets mentioned in sub clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within one year from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within two and half years therefrom (provided, that permits are obtained from Government for materials required, within reasonable time).

(4) The licensee shall, every three months, submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License :- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause (5), or if in the opinion of Government, the progress made during any portion of the said period of three and half years is unsatisfactory, the license shall be liable to be revoked and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply :- (1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

Provided first, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved :--

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) *the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;*

(c) *the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and*

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a competency certificate holder under the rules or orders issued by Government in this behalf or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. *System of Supply :- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three*

The licensee shall commence to execute the works aforesaid within one year he commencement of this license and shall complete the execution of the works said and shall commence the supply of energy within two and half years there- n (provided, that permits are obtained from Government for materials required, hin reasonable time).

(4) The licensee shall, every three months, submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License :- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause (5). or if in the opinion of Government, the progress made during any portion of the said period of three and half years is unsatisfactory, the license shall be liable to be revoked and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply :- (1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

Provided first, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved :--

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a competency certificate holder under the rules or orders issued by Government in this behalf or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply :- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three-phase, three

(3) The licensee shall commence to execute the works aforesaid within one year from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within two and half years therefrom (provided, that permits are obtained from Government for materials required, within reasonable time).

(4) The licensee shall, every three months, submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License :- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause (5) or if in the opinion of Government, the progress made during any portion of the said period of three and half years is unsatisfactory, the license shall be liable to be revoked and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply :- (1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

Provided first, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved :--

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a competency certificate holder under the rules or orders issued by Government in this behalf or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply :- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three

or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under:-

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above; and

(c) Any pressure up to 6600 volts for feeders and for supply to any large consumers for power purposes

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) the feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines, shall be laid under ground: Provided that:-

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass In cases of dispute such routes and heights shall be determined by the District Magistrate;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building;

(d) no poles for overhead lines shall be erectd in streets or thoroughfares, which are less than ten feet in width, for vehicular traffic; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case, and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. Generating, Receiving, Transforming and Distributing Stations-

(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-station, if so desired by the Provincial Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short circuits, etc., and the log book

be produced at any time on request to the Electric Inspector or an officer appointed assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity les, 1937.

0. Purchase of energy in Bulk :- (1) The licensee shall take from any Provincial overnment generating station such power as he required for distribution at any time er the Government is in a position to supply at a rate which, in the opinion of the overnment, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station the licensee shall have full powers to dispose of it.

11. Rates :- Limits of Prices to be charged :- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans – A rate of annas thirteen per unit;

(b) for heating, refrigerating and other domestic and general purposes– A rate of annas six, pies six per unit.

Minimum charge:– A minimum charge of rupees four per month may be made in addition to meter hire whether energy to that extent has been consumed or not, or on the basis of number of points installed but not exceeding rupees four in any case.

(2) For motive power purposes and purposes other than those mentioned in items 1 (a) and (b) above :-

A standing charge per month for service at the rate of Rs. three per B.H.P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows:– Annas five per unit.

Note:– (a) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B H P. connected to the installations.

(3) Meter Rent:– The rent to be charged for meters shall not exceed :-

Rupee one per month for a single phase A C. Meter.

Rupee one and annas eight per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter a fixed rate of Rs. 2/– per mensem shall be charged for a twenty watt light and rupee one, annas eight for every additional twenty watts or part thereof burning for not more than six hours per night.

Note :– This is applicable to shops in bazar area.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Karwar town, or authority of D. L. B. area as the case may be, for the supply of energy to the said Municipality or D. L. B. for public lighting, upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. Purchase of energy in Bulk :- (1) The licensee shall take from any Provincial Government generating station such power as he required for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station the licensee shall have full powers to dispose of it.

11. Rates :- Limits of Prices to be charged :- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans – A rate of annas thirteen per unit;

(b) for heating, refrigerating and other domestic and general purposes- A rate of annas six, pies six per unit.

Minimum charge:- A minimum charge of rupees four per month may be made in addition to meter hire whether energy to that extent has been consumed or not, or on the basis of number of points installed but not exceeding rupees four in any case.

(2) For motive power purposes and purposes other than those mentioned in items 1 (a) and (b) above :-

A standing charge per month for service at the rate of Rs. three per B.H.P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows:- Annas five per unit.

Note:- (a) The term " Unit " occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term " connected load " occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B H P. connected to the installations.

(3) Meter Rent:- The rent to be charged for meters shall not exceed :-

Rupee one per month for a single phase A C. Meter.

Rupee one and annas eight per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter a fixed rate of Rs. 2/- per mensem shall be charged for a twenty watt light and rupee one, annas eight for every additional twenty watts or part thereof burning for not more than six hours per night.

Note :- This is applicable to shops in bazar area.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Karwar town, or authority of D. L. B. area as the case may be, for the supply of energy to the said Municipality or D. L. B. for public lighting, upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. Unpaid Apprentices :- The licensee shall whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system.

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. Nomination of a Director by Government :- If the license is hereby assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. Agreement between the Licensee and the Managing Agents :—

The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (2) of the Act.

15. Breaking up of Streets :- The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. Breaking up of Railways :- In pursuance of the provisions of sub-section (5) of section 12 of the Act, the licensee is hereby specially authorized within the area of supply to break up the soil and pavement of the portions of any railway that may hereafter come so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16 be dotermined by Government whose decision shall be final.

17. Purchase of the Undertaking:- (1) The option of purchase given by sub-section (1) of section 7 of the Act shall be exercisable first on the expiration of twenty five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (1) of section (7) of the Act, which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase, shall be ten per centum.

(2) In accordance with clause (d) (ii) of sub-section (2) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking, or where energy is purchased, from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

18. Assignment of the License :- At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the province of Bombay in accordance with the law for the time being in force in the dominion of India under any enactment relating to companies for the time being in force there, and having authority to take over the license and the said undertaking, as the case may be, and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed, as aforesaid.

19. Submission of Annual Accounts :— The licensee shall submit to Government annually, before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial date in the form prescribed by Government.

20. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

Dated this Twelth day of March One Thousand Nine hundered and fifty one.

Sir,

We have this day applied to you for the grant of "karwar Electric License, 1951" and as required by the rules, we have given below the questi-onnaire duly filled in.

Appendix A

Questionnaire duly filled in is as below:-

1. Name and brief description of the area proposed to be included in the license.	The whole municipal area of the town of Karwar as bounded by yellow line and a portion of D. L. B. area of Nandangadda as bounded by Red line. vide- map subm-itted herewith.
2. Situation- Name of Taluka and district.	KARWAR. District headquarters of North Kanara.
3. Population.	About 25000.
Dwelling houses	About 5000
No. of shops and commercial establishments in the area specified against 1.	About 150.
4. Estimated classfied number of consumers, K. W., demand, K. W. H. sales and Revenues in the 5th year of operation in the form given below- approximately:-

Thanks

Copy of Resolution No. 4 dated 28-2-1951. of the General oard of the Karwar Municipality.

To read and consider letter No. Km/51/2 dated 16-2-1951, rom the Electric Supply & Trading Co., Ltd, requesting the unicipality to approve the area of supply of electricity ithin the Municipal limits as required by section 3 of the ndian Electricity Act 1910, and also to record a Resolutio tating that the Municipality has no objection to the grant f Electric licence to the said Company.

Proposed by Shri. D. M. Kulkarni

Seconded by Shri. N.N. Barkar,

That the area of supply of electric energy within the unicipal limits bounded by a yellow line, as shown in the ap which is to be a deposited map for an electric licence pplication to Government, be approved; and the President be authorised to certify the same as required by section 3 of the Indian Electricity Act 1910.

It is further resolved that the Municipality has no objection to the grant of Karwar Electric Licence to the said Karwar Electric Supply & Trading Co., Ltd., Karwar.

Carried unanimously.

True copy.

P.V. Kandarkar
Chief Officer,

8-3-1951. Karwar Municipality.

English version of resolution No.54, passed by the District Local Board, Kanara, in the quarterly general meeting held on 2-2-1951.

-----0-----

54. To peruse letter No.DL/50/1, dated 3-1-1951, from the Chairman of the Board of Directors of the Karwar Electric Supply and Trading Co., Ltd., applying for the approval of the Board for the area of supply within the District Local Board limits of a part of Nandangadda village and to consider in the matter.

Proposed by Shri S. S. Gaitonde,
Seconded by Shri B. K. Naik,

that the letter dated 3-1-1951 from the Chairman of the Board of Directors of the Karwar Electric Supply and Trading Co., Ltd., is perused; this Board has no objection to the proposal of the Company to supply electric energy to the Local Board area shown in the map accompanying the Chairman's letter, bounded by a red coloured line, at the cost of the people served according to their requirements; this Board authorises the President to certify in this respect by affixing the seal of the District Local Board, Kanara on the copy of the map sent with the Chairman's letter, which is to be a Deposited Map for the Electric Licence application to the Government under Sec. 3 of the Indian Electric Act, 1910, on a clear understanding given to the Company that this approval does not bring any liability of expenditure of any kind in this connection on the District Local Board.

Carried Unanimously.

To,

The Secretary, to Government,
Public Works Department,
Bombay.

Subject:- The Karwar Electric Licence 1951.

Sir,

I have the honour to inform you that we have floated a joint stock company known as THE KARWAR ELECTRIC SUPPLY & TRADING CO LTD, for acquiring electric licence to supply electric energy to the town of Karwar and a portion of D. L. B. Area named Nandangadde and accordingly apply you for the grant of Karwar Electric License 1951.

As required by the rules we have submitted herewith the follo--wing papers for your kind perusal:-

(1) Six copies in print of the draft of the Karwar Electric Licence 1951.

(ii) Four copies of the deposited map completed in accordance with the instructions.

(iii) A map of transimittion and distribution system,

(iv) Three copies of questionnaire filled in as per appendix 'A' of the memo of instructions.

(v) A copy of the memorandum and articles of association of the company.

(vi) A treasury receipt for the fee of Rs. 500/- paid into Govt. treasury. P-25

THE KARWAR ELECTRIC SUPPLY & TRADING CO., LTD.

Managing Agents :-

THE KANARA UNITED INDUSTRIAL CORPORATION LTD.

DURGA SADAN.
KARWAR

REF. NO.....

Date.....195

(vii) A copy of the resolution passed by the Municipality to the effect that the municipality has no objection to the grant of Karwar Electric Licence to The Karwar Electric Supply & Trading Co. Ltd. Karwar (N. Kanara).

(viii) A copy of the resolution passed by the District Local Board as stated in (vii) above.

(IX) As required by rules we are publishing our draft licence in successive three issues of the local news-paper "Vichari " and copies of each of the three issues shall be forwarded to you as soon as they are published.

At first sight it would appear that the maxima rates in the draft licence are high; but in view of the actual rates of so many other electric supply companies, which have been started much before the war, with about one-third or even less capital than the present one and which have a standing of more than twenty years or so are charging actually annas eight per unit for lights and fans and still it is said they are not in a position to get reasonable returns, our proposed maxima rates would not look to be high when we have to spend three times or more for machinery and all other materials and have to incur comparatively much higher working cost.

Although we intend charging actually annas ten or even less per unit for lights and fans and about four annas for motive power , it is better to have the higher maxima sanctioned in the beginning to enable the company to increase the rates reasonably upto this maxima if it would not be in a position to work the concern in profit. If there would not be any provision for these maxima rates in the beginning it would go most troublesome to get them revised at a later date when required as there would then be a great opposition for same. We would thus request you to consider the question of such newly started concerns in the light of the above facts and sanction the rates proposed by us in the draft licence.

35

THE KANARA UNITED INDUSTRIAL CORPORATION LTD.

DURGA SADAN,
KARWAR

REF. NO..... -63--- Date..... 195

In the end we have to request you to kindly expedite the grant of our licence , as, if there is delay , we are afraid the prices of machi--neries and other materials may go high and thus become a costly affair for us to carry out the scheme.

Thanking you in anticipation.

Yours faithfully,

Chairman,
Board of Directors

वर्तमानसार

—पश्चिम आफ्रिकेच्या ऑरेंज नदीच्या संगमाजवळ असलेल्या खाणींत सुमारें ८०,००० पौंड किंमतीचें १६० कॅरटचें मोठें वज्र सांपडलें आहे. हें वज्र १¾ इंच लांब, १ इंच रुंद व ¾ इंच जाड असून त्याच्यापेक्षां ब्यास्त मोठा भाग खाणींत असल्यामुळें त्याचा शोध चालू आहे.

—भारतांतील गव्हर्नरांची व राजप्रमुखांची परिषद् दि. १७ रोजीं दिल्ली येथील सरकारी भवनांत भारताचे अध्यक्ष डॉ. राजेंद्रप्रसाद यांच्या नेतृत्वाखालीं सुरू झाली. प्रधानमंत्री श्री. जवाहरलाल नेहरू, अर्थमंत्री श्री. चिंतामण–राव देशमुख, आहारमंत्री श्री. कन्हैयालाल मुनशी व निवडणुकांचे कमिशनर श्री. सेन हे विशेष आमंत्रणानें हजर होते. प्रांतांतील आहाराची व आर्थिक परिस्थिती, कायदा व सुव्यवस्था, येत्या निवडणुकी, आंतरप्रांतीय संबंध इत्यादि विषयांची प्रामुख्यानें चर्चा झाली. ही सभा दि. १७ रोजी दुपारी १–३० वाजतां संपली.

—मेजर ॲटलेच्या (इंग्लंडच्या) विद्यमान मंजूर सरकारनें पॉटसडॅम तहाचा भंग करून जर्मनीची विभागणी केली आहे, उत्तर अटलांटिक आक्रमणाची संस्था स्थापिली आहे, व १९४२ च्या अँग्लो–सोव्हिएट तहनाम्याचा भंग केला आहे, असे गंभीर आरोप मास्कोच्या नभोवाणीवरून रसियानें केले आहेत. ॲटले सरकारच्या व मांजी चर्चिल सरकारच्या धोरणांत वस्तुतः कसलाही फरक नाहीं अशीहि रसियाकडून घोषणा करण्यांत आली आहे.

विचारी

अधिकार तैसा करूं उपदेश ।
साहे ओझें त्यास तेंचि द्यावें ॥ १ ॥

विचारी, बुधवार ता. २१ माहे मार्च १९५१

मुंबई राज्यांतील विधायक प्रगति-योजना

(लेखांक २)

मजूरांची सुधारणा

मालक आणि मजूर यांजमधील परस्पर संबंध पूर्वीच्या मानानें आतां आस्ते आस्ते सुधारत आहेत. १९४९ सालीं मालक-मजूर तंटे सरकारी पंचायत कोर्टांत ३७० होते तर १९५० सालीं २७० दाखल झाले. मुंबई राज्यांत मजूरांची सुधारणा करण्याकरितां मुंबई सरकार विशेष लक्ष पुरवीत आहे.

घर बांधणी

मुंबई नगर, मुंबई उपनगर, अहमदाबाद, सोलापुर व हुबळी या मोठ्या शहरांत श्रमजीवि व मध्यमजीवि लोकांना राहण्याच्या जागेच्या अभावीं अमाप कष्ट पडत असल्यावरून, अशा लोकांची सोय करण्यासाठीं नवीन चाळी बांधण्याची विस्तृत योजना मुंबई सरकारनें आंखली असून, घर-बांधणीच्या निमसरकारी खास सहकारी पतपेढ्यांनाहि सरकारकडून जरूर तेवढा निधि बिनव्याजानें कर्जाऊ देण्यांत येत आहे. याबाबत भारत सरकारकडून मुंबई सरकारला यंदा ६० लक्षांचें बिन-व्याजी कर्ज मंजूर करण्यांत आलें आहे. खेरीज घरबांधणीच्या सहकारी पतपेढ्यांना मुंबई सरकार १ कोट रुपये चालू वर्ष अखेरपर्यंत कर्जाऊ देणार आहे.

मागासलेल्या वर्गांची सुधारणा

मागासलेल्या वर्गांची आर्थिक सुधारणा घडवून आणण्याकरितां त्यांच्यासाठीं खास रचण्यांत आलेल्या घर-बांधणीच्या सहकारी पतपेढ्यांना यंदा सरकारकडून २ लाखांचा बिनव्याजी जादा निधि देण्यांत आला आहे.

ग्रामपंचायती

ग्रामपंचायतींचा विकास झाल्यानें खेड्यांतील जनतेला स्वराज्याचे धडे घरबसल्या प्रत्यक्षांत आचरण्यास लाभतात; म्हणून ग्रामपंचायतींत उत्तरोत्तर सुधारणा घडवून आणण्याकडे सरकार विशेष लक्ष पुरवीत आहे. खेड्यांतील रहिवाशांना वेळोवेळीं उपयुक्त सल्लामसलत देऊन त्यांना योग्य मार्गदर्शन करण्याकरितां व प्रांतांतील ग्रामपंचायतींच्या कारभारावर योग्य देखरेख ठेवण्याकरितां १८ जादा मामलेदार व २ (निमसरकारी) तज्ज्ञ सामाजिक कार्यकर्ते यांची निवड सरकारनें केली असून त्यांच्या नेतृत्वाखालीं हें महत्त्वाचें कार्य यशस्वीपणें चालू आहे.

हातमागाचा धंदा

सुताची निर्यात परदेशास होत असल्यामुळें सुताच्या कमतरतेमुळें हातमागाच्या धंद्यास मोठाच धक्का बसला आहे. त्यामुळें हातमागावरील कोष्टी विजापूर, सोलापूर, धारवाड, पश्चिम खानदेश, अहमदनगर, नासिक व बेळगांव जिल्ह्यांत बऱ्याच मोठ्या प्रमाणांत बेकार झाले. त्यांना चरितार्थाचा दुसरा योग्य धंदा शोधून देण्याची नैतिक जबाबदारी सरकारवर येऊन पडली. म्हणून रस्ते-दुरुस्ती, खडी-फोडणें व हात-सूत-कताई अशा कार्यांवर अशा बेकार असामींची योजना करण्यांत आली असून, सुताची परिस्थिति सुधारतांच त्यांची बेकारी टळेल अशी आशा वाटत आहे.

काटकसर

मुंबई सरकारच्या चालू अर्थ-संकल्पांत २६८ लाख रु. ची तूट येत असल्याबरून कित्येक काटकसरीच्या योजना त्याला आंखाव्या लागल्या. वेगवेगळ्या खात्यांत फालतू नोकरांची कपात करण्याकरितां एका जादा अधिकाऱ्याच्या नेतृत्वाखालीं समितीची रचना करण्यांत आली होती. तेणेंकरून चालू वर्षांत २२९ लाखपर्यंत बचत झाली असून पुढील वर्षी वार्षिक २८२ लाख बचत होणार आहे. सरकारकडून घटविण्यांत आलेल्या जागा एकूण १९,००० असल्या तरी नोकरींतून प्रत्यक्ष कमी करण्यांत आलेल्या नोकरांची संख्या फक्त ७००० आहे. ही कपात करतांना निर्वासित व मागासलेल्या वर्गांचे लोक यांच्या हितरक्षणाकडे प्रथम प्राधान्य देण्यांत आलें आहे. पण इतकें करूनहि सरकारी राज्यशकटाच्या मजबूतींत व कार्यक्षमतेंत कसलीहि कमतरता पडणार नाही याविषयीं भरपूर खबरदारी घेण्यांत आली आहे.

शैक्षणिक प्रगति

मुंबई राज्यांत आज एकूण सात इंजिनियरिंग कॉलेजें असून त्यांच्यापैकीं दोन सरकारी नियंत्रणाखालीं आहेत. तथापि इतर पांच कॉलेजांना योग्य निधि मंजूर करून त्यांच्यांतील नोकरांना महागाई भत्ता मिळण्याची योग्य तरतूद सरकारनें केली आहे.

धंदेशिक्षणाच्या शाळा व योग्य धंद्यांची निवड

सोलापुरांत व मुंबईंत अशा दोन शाळा या पूर्वीच आहेत. पण या कार्याचें आत्यंतिक महत्त्व लक्षांत आणून सरकारनें दहा जादा शाळा उघडण्याचें ठरविलें असून, त्यापायीं एकुण रु. २९ लाख जादा खर्च येईल. विद्यार्थ्यांना

आपल्या आयुष्यांत कोणता धंदा पत्करावा याबाबत बहुधा अज्ञान असतें व ते पुढें जन्मभर अंदाज-पंचे खातें घडपडतांना दिसतात! व्यवस्थित पूर्व-आंखणीच्या अभावी अशा अज्ञान किंवा बेफाट तरुणांचें जीवन वायां जातें. व आपल्या मनानुकूल योग्य धंदा न पत्करल्याबद्दल त्याच्या नशीबीं पुढें सतत पश्चात्ताप करण्याची पाळी येते. म्हणून अशा विद्यार्थ्यांच्या आवडी व लायकी यांना शक्य तों अनुकूल धंदा सुचवून तो त्यांना पुरविण्यासाठी सरकारकडून धंदानिवडणुकीची माहिती देणारें जादा खातें उघडण्यांत आलें आहे. आणि त्याची उपयुक्तता विद्यार्थ्यांना अधिकाधिक पटत चालली आहे. खेरीज, मनानुकूल धंदेशिक्षण सुचविण्यांत आल्यामुळें बिन-आवडीच्या धंद्यांत सक्तीनें मन गुंतवून शिक्षणाचें वैफल्य मात्र पदरीं पडण्याच्या पुढील निराशेपासून अनेक विद्यार्थ्यांची वेळींच मुक्ति झाली आहे व ते त्याबद्दल सरकारास उघड दुवा देत आहेत.

त्याशिवायच हरिजन, अस्पृश्य, इत्यादि मागासलेल्या वर्गांना विशेष सवलतीच्या मार्गांनीं सर्व प्रकारच्या शिक्षणास प्रोत्साहन देण्याचें व्रत सरकारकडून अखंड चालू आहे. त्याशिवाय गुन्हेगार जातींच्या व आदिवासी लोकांच्या सामाजिक व आर्थिक परिस्थितींत आस्ते आस्ते सुधारणा घडवून आणण्याचें कार्यहि अविरत चालू आहे. यापुढें मागासलेल्या वर्गांतील विद्यार्थ्यांनी शाळा कॉलेजांतील बोर्डिंगांत निवास केल्यास भाडें आकारण्यांत येणार नाहीं. आणखी कांहीं सवलती त्यांना देण्याचें घाटत असून त्या लौकरच सरकारकडून जाहीर होतील असें समजतें.

निर्वासितांची पुनर्वसाहत

हिंदुस्तानची फाळणी झाल्यापासून भारतांत आलेल्या अगतिक निर्वासितांची पुनर्वसाहत करविण्याच्या कार्यांत सरकारास अमाप कष्ट पडत असल्याची ग्वाही त्यानें दिली आहे. अशा दुर्दैवी इसमांना प्रथम राहण्यास आसरा देण्याचें महत्त्व सरकारास पुरतें पटलेलें आहे. कारण त्यांस राहण्यास निश्चित ठिकाण लाभल्याखेरीज चरितार्थाचा धंदा शोधण्याइतकें चित्तस्वास्थ्य त्यांना कसें लाभणार? अशी हंगामी १०,००० घरें उल्हासनगर, अहमदाबाद व इतर नगरांत सरकारकडून बांधण्यांत आली असून, त्यापायीं आजवर सुमारें ३ कोटी रुपये खर्ची पडले आहेत. येत्या वर्षी सुमारें ५००० जादा स्थानें बांधण्याचा संकल्प सरकारनें जाहीर केला आहे. अशा निराश्रित इसमांना बिनव्याजी कर्जें, धंद्यासाठीं, जरूर त्या सवलती, घरांच्या दुरुस्तीसाठी लोकूड, वगैरे पुरविण्यांत सरकारनें जातीनें लक्ष घातलें आहे. या लोकांना योग्य धंदे निवडून देण्यांत खरी अडचण अशी की, त्यापैकीं कित्येकांच्या ठायीं अशा व्यावसायिक धंद्यांचेंच पुरतें अज्ञान आहे! म्हणून त्यांना या धंद्यांत तरबेज करण्याकरितां सरकारकडून उल्हासनगर, अहमदाबाद व बडोदा येथें खास व्यवसाय-शिक्षणवर्ग उघडण्यांत आलीं आहेत. आजपर्यंतों अशा निर्वासितांचीं १५०० कुटुंबें मकाणांत सुस्थिर झालीं असून, इतर कुटुंबांची योग्य तरतूद करण्याचे कळकळीचे प्रयत्न चालूच आहेत. अशा एकूण १५,००० निर्वासित इसमांना योग्य धंदे व किरकोळ व्यापार सुरू करण्याकरितां मुंबई सरकारकडून सुमारें १॥ कोटी रुपयांचीं बिनव्याजी कर्जें देण्यांत आलीं असून येत्या वर्षीहि तीं देण्यांत येतील. सवलतीच्या योजनानीं दुकानें देणें, मोफत बीजप्रकाश पुरविणें, नियंत्रित दरांत जीवनोपयोगी अन्नधान्य व कापड यांचा पुरवठा घरांच्या दारांत करणें, इत्यादि प्रकारांनीं या दुर्दैवी इसमांना शक्य तितकें साह्य करण्यांत येत आहे.

वनसंरक्षणाची योजना

मुंबई राज्यांत विस्तृत अरण्यें आहेत. त्यांचें योग्य संरक्षण करण्याचे उपाय योजूनहि कांहीं उपयुक्त जनावरें घटतच आहेत. त्यामुळें राष्ट्रीय संपत्तींत क्रमेण मोठीच हानि होणार आहे. म्हणून उपयुक्त जनावरांची हत्या थांबविण्यासाठीं आणि पिकांच्या व माणसांच्या नाशास कारण होणाऱ्या वन्य श्वापदांवर योग्य नियंत्रण ठेवण्यासाठीं व जरूर तेथें त्यांचा नाश करण्यासाठीं मुंबई सरकार चालू वर्षांत कौन्सिलांत आवश्यक असें बिल आणणार आहे.

टेरिटोरिअल फोर्स

मुंबई शहरांत व राज्यांतील इतर भागांत टेरिटोरिअल फोर्समध्यें दाखल होण्यास तरुण नागरिक अद्याप भरपूर प्रमाणांत पुढें येत नाहींत याबद्दल गव्हर्नर साहेबांनीं विषाद व्यक्त केला आहे. देशांतील शांतता-संरक्षणास किंवा देशावर अचानक आपत्ति उद्भवल्यास तिला जनतेच्या वतीनें यशस्वीपणें तोंड देण्यास पोलिसांच्या दिमतीस वरील फोर्समधील तरुणांनी महत्त्वाची राष्ट्रीय कामगिरी पार पाडावयाची आहे. तिचें महत्त्व त्यांना पटून ते यापुढें तरी मोठ्या प्रमाणांत या सेनेत दाखल होऊन देशसंरक्षणाची जबाबदारी आस्थेनें पार पाडतील अशी आम्हांस उमेद आहे.

दारुबंदी

दारुबंदीमुळें बेकार झालेल्या कलालांसाठीं इतर धंदे निवडून देण्यांत सरकारनें लक्ष घातलें असून त्यांना सुतारकी, शिवणकाम, हातमागावरील शिक्षण, इत्यादि धंद्यांचें शिक्षण देण्यांत येत आहे. नवीन घरगुती धंदे सुरू करण्याकरितां त्यांना सवलतीचीं कर्जेंहि देण्यांत येत

आहेत. विशेष शिक्षण घेऊं इच्छिणारांची सोय रत्नागिरीच्या धंदेशिक्षण शाळेंत करण्यांत आली असून तिचा लाभ महत्त्वाकांक्षी तरुण घेत आहेत. खेरीज अशा इसमांना शक्य तों त्यांच्या योग्यतेनुरूप सरकारी नोकरींत प्रथम प्राशस्त्य देण्यांत येतें तें निराळेंच. मलेरिया-योजना, सरकारी मोटार-वाहतुक योजना, इत्यादि योजनेंत जरूर तेथें अशा इसमांचा शिरकाव करण्यांत येतच असतो.

तात्पर्य, शक्य त्या सर्व उपायांनीं मुंबई राज्यांतील जनतेचा आर्थिक, शैक्षणिक, सामाजिक व नैतिक विकास घडविण्याचे उपाय राज्य-सरकार कसून आखीत असल्याचा प्रत्यय वरील अहवालावरून पटेल यांत शंका नाहीं.

बाई कुवरबाई मराठी मुलींची शाळा

सदर शाळेतील सर्व वर्गांत वार्षिक परीक्षेचा निकाल अत्यंत कडक, म्हणजे ३०-३५ टक्के लागून बऱ्याच मुलींचें व पालकांचे नुकसान झालें असून, चूक कोणाची व कशी याचा विचार व्हावा म्हणून अनेक पालकांनीं शिक्षणाधिकाऱ्यांकडे अर्ज केले व त्या सर्व पालकांना बोलावून सदर बाबतींत चैकशीही झाली. चैकशीचा निकाल ऐकण्यास विद्यार्थी व पालक उतावीळ झाले आहेत. कारण वर्ग बदलून पुढील अभ्यासही सुरू झाले आहेत.

स्कूल बोर्ड अधिकाऱ्यांनीं वेळ न गमावतां एकदां काय तो निकाल सुनावावा. परीक्षा-प्रश्न हद्दीबाहेर बिकट, शिक्षणांत निष्काळजीपणा, वगैरे कारणांनीं असें झालें आहे. तरी, जरूर पडल्यास योग्य अधिकाऱ्यांकडून पुन्हां परीक्षा घेवविणें, किंवा मागील प्रगति पाहून योग्य मुलींना वरील इयत्तांत घालणें, असा कोणता तरी मार्ग बोर्डाधिकारी लवकर स्वीकारतील व पुढें अशी परिस्थिति निर्माण न होण्याची दक्षता बाळगतील तर ठीक होईल. त्या योगानें मराठी शाळांकडे अधिकाऱ्यांचें दुर्लक्ष होत असल्याची जी कुरकुर जनतेंत आहे तिचेंही निरसन होईल.

मुंबई राज्यांतील सामाजिक सुधारणा

मागील दोन अंकांत मुंबई राज्यांतील विविध सुधारणांची ढोबळ माहिती आम्हीं दिली होती. आज त्यांतील सरकारपुरस्कृत विशेषतः सामाजिक सुधारणांचा अहवाल देण्याचें योजिलें आहे. महात्मा गांधीजींच्या प्रेरणेमुळें भारतांत सामाजिक सुधारणेचें पाऊल पक्कें रोवलें गेलें असून त्या दिशेनें प्रगतीचे टप्पे पुढें पडत असलेले आज उघड दिसत आहेत. गेल्या पांच वर्षांत कॉंग्रेस राजवटींत घडून आलेल्या सुधारणांचा तपशील त्रोटकपणें खालीं दिला आहे.

बहुपत्नीकत्वाला प्रतिबंध

हिंदूंत व मुस्लिमांत बहुपत्नीकत्वाची चाल प्राचीन कालापासून रूढ आहे. परंतु अलीकडे हिंदु समाजांतील सुशिक्षित वर्गांत या चालीविरुद्ध उघड निषेध प्रदर्शिला जात आहे. तथापि सुबुद्ध लोकमत जागृत होऊनहि ही चाल लौकर बंद पडण्याची आशा दिसत नव्हती! सामाजिक कार्यकर्त्यांनीं उपदेश, बहिष्कार, म्हणजेच सामदामादि उपायांनीं या चालीस आळा घालण्याचा कसून प्रयत्न केला. पण त्यांना त्यांत यश आलें नाहीं. म्हणून हिंदूंतील बहुपत्नीकत्वाच्या रूढीविरुद्ध सन १९४६ मध्यें सरकारनें कायदा मंजूर केला. तेणेंकरून अशीं लग्नें त्यापुढें रद्द बातल समजण्यांत यावींत आणि गुन्हेगारांना सात वर्षें पर्यंत शिक्षा व दंड करण्यांत यावे असें ठरलें आहे. विवाहित स्त्रियांना त्यांच्या नवऱ्यांच्या अखंड जाचणीपासून सुटका करण्याकरितां घटस्फोट घेण्यास वाव देणारा जादा कायदाही मंजूर करण्यांत आला आहे.

अस्पृश्यतानिर्मूलन

स्त्रियांवरील विवाहविषयक अन्याय कमी करण्याचे उपाय चालू असतांनाच अस्पृश्यतानिवारणाचे ही जारीनें सुरू आहेत. गांधीजींनीं यांबाबत आपल्या ांचें रान केलें! तीच प्रथा प्रचलित सरकारनें जारींत ली असून सार्वजनिक देवस्थानांत हरिजनांना मुक्तद्वार ल कायदा करण्यांत आला आहे. हरिजनांना ारी संस्थांत आतां उघड प्रवेश असून किल्येक खास सवलतीहि त्यांना देण्यांत आल्या आहेत. तसेंच त्यांना किल्येक सार्वजनिक स्थानांत इतर सवर्णीयांसेंच पूर्ण व समान हक्क देण्यांत आले आहेत. हरिजनांना याबाबतींत अडथळा करणारांविरुद्ध कायदेशीर इलाज करण्यांत येत आहेत.

बाल गुन्हेगारांची सुधारणा

अनाथ व वाट चुकलेल्या मुलांची सुधारणा करून त्यांस पुढें उत्तम नागरिक बनविण्यासाठीं सरकारकडून कसून प्रयत्न चालू आहेत. अनाथ मुलांना संरक्षण देणें, दारूसारख्या कित्येक घोर व्यसनांपासून त्यांची पुरती सुटका करणें, या दिशेनें ठिकठिकाणीं 'रिमांड होम' स्थापून सरकारच्या नेतृत्वाखालीं पद्धतशीरपणें प्रयत्न चालू आहेत. लहान मुलांना क्रूरतेनें शिक्षा करणें, भीक मागण्याकरितां त्यांचा दुरुपयोग करणें, वेश्याव्यवसायांत त्यांना नकळत गुंतविणें, कित्येक तासपर्यंत अयोग्य रीतीनें त्यांजकडून श्रमाचें काम करवून घेणें, वगैरे प्रकार नवीन कायद्याखालीं गुन्हे ठरविण्यांत आले आहेत.

जाति-बहिष्कार

हिंदु धर्मांत जातीय बहिष्काराचे (किंवा जातीबाहेर वाळींत टाकण्याचे) प्रकार प्राचीन कालापासून चालू आहेत. धर्मगुरूंकडून अनेक हिंदु समाजसुधारकांना असें वाळींत टाकण्यांत आलें होतें आणि त्यांचा विविध प्रकारें छळ करण्यांत येत होता. प्रचलित सरकारनें १९४९ सालीं या अनिष्ट प्रकाराविरुद्ध कायदा संमत करून धर्मगुरूंच्या असल्या समाजविघातक चळवळींना कायमची बंदी घातली आहे. त्यालागायत जाति-बंदी बेकायदेशीर ठरविण्यांत आली असून तिजविरुद्ध उघड किंवा गुप्तपणें चळवळ करणारेही शिक्षार्ह आहेत. सामाजिक सुधारकांना त्यामुळें ताजा हुरूप येण्यास मदतच झाली आहे. जाति-बहिष्कृतांना फिरून शुद्ध करण्याकरितां त्यांजकडून हिंदु धर्मपीठाच्या आचार्यांनीं मोठ्या रकमा दंडादाखल वसूल करणें, इत्यादि प्रकारांना वरील कायद्यानें बंदी आहे.

इतर सुधारणा

याशिवाय आदिवासी मुलांत सर्रास मोफत प्राथमिक शिक्षणाचा प्रसार, धंदेशिक्षणाच्या सोई, शेतकी सुधारणेकरितां पड जमिनी सवलतीच्या दरानें देणें, घर बांधणीकरितां बिनव्याजी कर्जे अधिकृत सहकारी पतपेढ्यां मार्फत पुरविणें, ग्रामीण विभागांत सर्वोदय केंद्रें उघडून त्यांच्यामार्फत खेडुतांचा सर्वांगीण विकास घडवून आणण्याचा प्रयत्न करणें, स्त्रियांना त्यांच्या योग्यतेनुरूप योग्य जागीं नोकरी करण्यास मुक्तद्वार असणें, शेतकी व्यवसायापायीं जुनीं कर्जे काढलेल्या श्रमिकांची, आसुरी सावकारी पाशापासून दिवसेंदिवस मुक्ति करण्याकरितां इष्ट उपाय

NOTICE

The auction sale of the Sharavati ferry for running service by motor launches with Government subsidy for a period of 5 years will be held by the undersigned in his office at Karwar at 2 P. M. on 16-4-1951. The conditions of sale and contract will be read out at the time of the auction sale. These conditions can also be seen in the office of the undersigned or the Sub-Divisional

Officer, Kumta at any time during office hours except on sundays and holidays.

2 The intending bidders will be required to produce solvency certificates of their own to an extent of Rs. 10000/- duly signed by the Mamlatdar or the Mahalkary concerned and also a security deposit of Rs. 2000/-, which amount will be refunded immediately if the bid is not accepted. Otherwise it will be kept as a deposit till the termination of the contract period and till the full discharge of his responsibilities under the contract.

3 The intending bidders will have to satisfy the undersigned on the date of the auction as to their capabilities to arrange for two launches of the carrying capacity of 25 passengers each, when only they will be allowed to bid. The bidder whose bid will be accepted will be required to produce two serviceable and suitable launches within 3 months from the date of the auction sale and get these passed by the Executive Engineer. Besides he will have to get these launches passed by the Marine Department also within a month thereafter. In case he fails to comply with the above requirement, his bid will be cancelled and the security deposit of Rs. 2000/- forfeited to Government.

4 The rates of fares for launch service will be the same as for country craft service at present, except in the case of passengers who will be charged 0-0-9 per head as against 0-0-6 per head for country craft service.

5 Though the period of lease will be up to 5 years, the undersigned reserves the right of terminating the contract at any time with three months' notice with or without assigning any reasons.

6 The acceptance of the bid rests with Government who reserves the right to reject any bid without assigning any reasons.

7 No bids after the date of the auction sale either by applications or by wires will be accepted under any circumstances.

Office of the Ex. Eng., K. Dn.
No. G. 59/CB
Karwar 29th March 1951.

D. S. Nadkarni,
Executive Engineer, Kanara Division.

कारवार, ता. १५-३-१९५१ } आपला कृपाकांक्षी, विठ्ठल बाळसू गांवकार.

कारवार जिल्हा कलाप्रदर्शन

कारवार मराठी वाङ्मय मंडळाचे विद्यमानें कारवार येथें मे महिन्यांतील पहिल्या आठवड्यांत कारवार जिल्ह्यांतील कलाकारांच्या कलाकृतींचें प्रदर्शन भरविण्याचें ठरविलें आहे. कारवार जिल्ह्यांतील व जिल्ह्याबाहेर असलेल्या कारवारी कलाकारांना यांत भाग घेतां येईल. हें प्रदर्शन त्याच सुमारास कारवार येथें भरणाऱ्या महाराष्ट्र साहित्य संमेलनाच्या ३४ व्या अधिवेशनाची संधि साधून सोईस्कर होईल या दृष्टीनें भरविण्यांत येणार आहे. या कला-प्रदर्शनांत सर्वांनी आपापल्या कलाकृती पाठवून देऊन व सदर प्रदर्शनास इतर तऱ्हेनेंही मदत करून प्रदर्शन सजविण्यास हातभार लावावा अशी विनंति आहे.

प्रदर्शनांत खालील बाबींचा समावेश केला जाईल:- क्रॅफ्ट, भरतकाम, रांगोळी, पेंटिंग, डिझायनिंग, (टेक्सटाईल वगैरे) फोटोग्राफी, पब्लिसिटी आर्ट, मॉडेलिंग, सुतारकाम (देव्हारे, काट्या, मूर्ती इत्यादि)

पत्रव्यवहार खालील पत्त्यावर करावा.

डॉ. वामन वाघ, अध्यक्ष, मराठी वाङ्मय मंडळ, दुर्गा सदन, कारवार.

कारवार तालुका बाड मतदार संघांतील सर्व मतदारानां
जाहीर विनंति

सर्व मतदार बंधूंनो, माझे चुलते दत्तात्रय सुका नाईक हे परलोकवासी झाल्यामुळें रिकामी झालेल्या कानडा जिल्हा लोकल बोर्ड मेंबरची जागा येत्या दि. १६ माहे एप्रिल १९५१ रोजीं फेर निवडणूक होण्याची ठरलेली आहे. मी सर्व मतदारानां अनोळखा नसून, सार्वजनिक संस्थेंत म्हणजे कारवार अर्बन बँकेंत सध्या मी मेंबर आहे. माझ्या चुलत्यांनीं पुष्कळ वर्षांपासून अनेक सार्वजनिक संस्थांत भाग घेऊन जनसेवा केलेली आहे ही गोष्ट सर्वांना विदितच आहे. मीही पण यथाशक्ति त्यांचें अनुकरण करून आपली सेवा करूं इच्छितों. तरी ही सुसंधि आपण मला प्राप्त करून द्याल अशी आशा बाळगतों. माझी निशाणी सायकल असून त्याच्या मागें X अशी एकच खूण करावी. प्रत्येक मतदाराला एकच मत आहे. कारण आपलें एकच मत माझ्या सायकल या निशाणीच्या मागें देऊन उपकृत करावें, अशी माझी सर्व मतदार बंधूंना नम्र विनंति आहे.

कुसा रामचंद्र नाईक	X	

कारवार, ता. २६-३-५१ } आपला प्रेमाकांक्षी, कुसा रामचंद्र नाईक.

दारूबंदीचे यशापयश

"दारूबंदी योजनेनुसार लोकांना अनेक वर्षे जडलेले व्यसन मुंबई सरकारला घालवावयाचे आहे. त्यामुळे या योजनेचा परिणाम एका वर्षातच कसा दिसू शकेल? दारूबंदी यशस्वी की अयशस्वी हे ठरविण्यासाठी कमीत कमी १० वर्षे तरी लोटली पाहिजेत," असे उद्गार मुंबई राज्याचे गृहमंत्री श्री. मोरारजीभाई देसाई यांनी गेल्या दि. २१-३ रोजी मुंबई विधिमंडळात काढले.

मुंबई राज्याचा किनारा बराच मोठा आहे. शिवाय पोर्तुगीज गोवा व त्यांची दीव व दमण बेटे मुंबई राज्याशी निगडित आहेत. तेथे मद्यपानबंदीचा कायदा जारी नाही. समुद्रातून गोव्याहून चोरटी दारू आणून विकणाऱ्या चोरट्यांना पकडून शासन करण्याकरिता कमीत कमी ४ मुसज्ज लाँचेस पोलिसांच्या ताब्यात देणे अत्यंत जरूरीचे आहे. तूर्त 'प्रिन्सेस' नांवाची मोठी लाँच सरकारने विकत घेतली आहे. कारवारनजीकच्या किनाऱ्यांत चोरट्या दारूची आयात थांबविण्याकरिता मुंबई सरकारकडून नुकतीच दोन लहान लाँचेसची योजना करण्यात आली आहे ही संतोषाची गोष्ट होय.

मद्यपानबंदीमुळे वार्षिक १२ कोटींचे सरकारी उत्पन्न बुडाले ही गोष्ट कबूल करूनहि तीमुळे जनतेचे होणारे फायदे त्या मानाने किती तरी शाश्वत महत्त्वाचे आहेत. कायदे केल्यावर ते उघड किंवा गुप्तपणे मोडणारे महाभाग सर्व देशांत आढळतात. त्यावरून त्या कायद्यांविरुद्धच एकदम कोल्हेकुई करणे जनतेच्या पुढाऱ्यांना शोभत नाही. आज भारतांत 'जनतायुग' सुरू असून जनतेचा सर्वांगीण विकास होण्याच्या दृष्टीने दारूबंदीसारखे प्रयोग सरकारला पूर्वसंकल्पानुसार जारी करणे प्राप्त झाले आहे. भारतांत काही उपद्व्यापी असामी एकीकडे सरकार विरुद्ध व्यर्थ टीकेचा भडिमार करीत आहेत, तर जगांतील अमेरिका, कॅनडा इत्यादि दारूबंदी नसलेल्या ओल्या प्रदेशांतील निमसरकारी संस्था भारतांतील या अभूतपूर्व प्रयोगाकडे आश्चर्यमिश्रित आदराने पाहत आहेत आणि त्यांच्या यशस्वितेविषयी आंकडेवारी मागत आहेत. कारण त्यांनाहि आस्ते आस्ते दारूबंदी करावयाची असून ती प्रत्यक्ष कार्यवाहीत आणण्यास, ते मुरवातीस कचरत आहेत इतकेच.

सोन्याची बेकायदेशीर चोरटी निर्यात

गेल्या दि. १६ रोजी बेळगांवचे कस्टम इन्स्पेक्टर द्वय श्री. शहापूरकर व श्री. ककेरी यांना गोव्याच्या हद्दीतून बेळगांवांत एकूण १२०० तोळे सोने आल्याची वर्दी आगाऊ मिळाली होती. त्यापैकी ६०० तोळे सोन्याच्या ४ लगडी बेळगांवच्या अर्गत तलावाजवळील पोलीस चौकीत दडपून ठेवलेल्या आढळल्या. त्यांची जप्ती करून रीतसर पंचनामा करण्यांत आला. गाडीकाराने आपल्या जबानीत सांगितले की, आपण १५० तोळे सोन्याच्या ८ लगडी त्या पोलीस चौकीत नेऊन पोलीसाच्या हवाली केल्या. बाकी ४ लगड्यांचा पोलीस तपास करीत आहेत.

सर्कीच्या दरावर नियंत्रण

मुंबई प्रांतांतील जिन व प्रेस यांनी सरकारास सर्की पुरविल्यानंतर आपल्यापाशी शिल्लक राहणारी सर्की ज्यास्त दराने विकता कामा नये असा इशारा मुंबई राज्य-सरकारने गेल्या दि. १६ रोजी दिला आहे. सरकारी दरापेक्षा एका बंगाली मणाला १ रुपया ज्यास्त दर घेण्यांत आल्याचे आढळल्यामुळे त्यांच्याकडील उरलेला सर्व सर्कीचा साठा सरकार आपल्या ताब्यांत घेईल असाहि इषारा सरकारने दिला आहे.

बोरिंग यंत्रांचे वांटप

मुंबई प्रांतांतील वेगवेगळ्या जिल्ह्यांत बोरिंग यंत्रांचे वितरण करण्याचे मुंबई सरकारने ठरविले असून, धारवाड जिल्हा ८, विजापूर ३, बेळगांव ३ व उत्तर कानडा (कारवार) १, अशी दक्षिण भागांत वांटणी करण्यात आली आहे.

पोहे वांटणीची नवी व्यवस्था

हातानें भात कुटून पोहे तयार करणाऱ्यांना सरकारी भात पुरविण्याची जुनी पद्धत मुंबई सरकारने चालू वर्षी जारीत आणली आहे. यापुढे त्या त्या विभागांतील ग्रामोद्योग समितींच्या मार्फतच सरकार पोहे तयार करणाऱ्यांना भात पुरविणार आहे. प्रत्येक जिल्ह्यांतून या समितीमार्फत प्रतिनिधि नेमण्यांत येतील. त्या प्रतिनिधींनी अशा इसमांची केंद्रे संघटित करून त्यांच्या मागणी जिल्हाधिकाऱ्यांस कळविण्याची आहे. इच्छुकांनी अधिक माहितीसाठी ग्रामोद्योग समितीचे कर्णाटक विभागाचे कार्य कर्ते श्री. संजीवराव कल्लापूर, धारवाड यांच्याशी पत्रव्यवहार करावा.

अकोल्यातून चोरट्या सोन्याची निर्यात

गेल्या दि. १५ रोजी अकोल्याहून मोटरने डुबळीला जाणाऱ्या दोघां उतारूपाशी मोटर स्टँडवर एकूण ८० तोळे सोने पोलीस शिपाई महंमद बशीर इस्माईल यांनी मोठ्या शिताफीने पकडून जप्त केले. त्याच शिपायाने दि. १३ रोजी अकोल्यांत सेवन ऑक्लॉक ब्लेडची ८ बंडले व इतर सामान बेकायदेशीरपणे आयात होत असतां जप्त केल्याचे समजते.

(7) Chandawarkar road marked O. P.
(8) Seth Shantaram house road, marked W R.
(9) Bingeghat road, marked S, T.
(10) Murlidhar Math road marked M. U.

Note :- The supply of electrical energy shall be given during night time only till such time as sufficient day load is available.

(2) In the case of any difference between the description of streets mentioned in sub clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within one year from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within two and half years therefrom (provided, that permits are obtained from Government for materials required, within reasonable time).

(4) The licensee shall, every three months, submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License :- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause (5). or if in the opinion of Government, the progress made during any portion of the said period of three and half years is unsatisfactory, the license shall be liable to be revoked and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply :- (1) Subject to the provisions of this license and the Act and the rules; the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

Provided first, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved :-

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a competency certificate holder under the rules or orders issued by Government in this behalf or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply :- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three

or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :-

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above; and

(c) Any pressure up to 6600 volts for feeders and for supply to any large consumers for power purposes

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) the feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines, shall be laid under ground : Provided that:-

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(d) no poles for overhead lines shall be erectd in streets or thoroughfares, which are less than ten feet in width, for vehicular traffic ; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case, and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. Generating, Receiving, Transforming and Distributing Stations-

(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-station, if so desired by the Provincial Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short circuits, etc., and the log book

Edited, printed and published by Shaik Esmail Shaik Adam at his Mohammedan Press, Karwar.

shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. Purchase of energy in Bulk :- (1) The licensee shall take from any Provincial Government generating station such power as he required for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. Rates :- Limits of Prices to be charged :- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans – A rate of annas thirteen per unit;

(b) for heating, refrigerating and other domestic and general purposes– A rate of annas six, pies six per unit.

Minimum charge:– A minimum charge of rupees four per month may be made in addition to meter hire whether energy to that extent has been consumed or not, or on the basis of number of points installed but not exceeding rupees four in any case.

(2) For motive power purposes and purposes other than those mentioned in items 1 (a) and (b) above :-

A standing charge per month for service at the rate of Rs. three per B.H.P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows:– Annas five per unit.

Note:– (a) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B. H P. connected to the installations.

(3) Meter Rent:– The rent to be charged for meters shall not exceed :-

Rupee one per month for a single phase A C. Meter.

Rupee one and annas eight per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter a fixed rate of Rs. 2/– per mensem shall be charged for a twenty watt light and rupee one, annas eight for every additional twenty watts or part thereof burning for not more than six hours per night.

Note :– This is applicable to shops in bazar area.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Karwar town, or authority of D. L. B. area as the case may be, for the supply of energy to the said Municipality or D. L. B. for public lighting, upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. Unpaid Apprentices :- The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system.

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. Nomination of a Director by Government :- If the license is hereby assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. Agreement between the Licensee and the Managing Agents :—

The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (2) of the Act.

15. Breaking up of Streets :- The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. Breaking up of Railways :- In pursuance of the provisions of sub-section (5) of section 12 of the Act, the licensee is hereby specially authorized within the area of supply to break up the soil and pavement of the portions of any railway that may hereafter come so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16 be dotermined by Government whose decision shall be final.

17. Purchase of the Undertaking:- (1) The option of purchase given by sub-section (1) of section 7 of the Act shall be exercisable first on the expiration of twenty five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (1) of section (7) of the Act, which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase, shall be ten per centum.

(2) In accordance with clause (d) (ii) of sub-section (2) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking, or where energy is purchased, from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

18. Assignment of the License :- At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the province of Bombay in accordance with the law for the time being in force in the dominion of India under any enactment relating to companies for the time being in force there, and having authority to take over the license and the said undertaking, as the case may be, and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed, as aforesaid.

19. Submission of Annual Accounts :— The licensee shall submit to Government annually, before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial date in the form prescribed by Government.

20. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

भारताच्या राज्यघटनेविषयीं चर्चा

संयुक्त राष्ट्र-संघात भारताचे प्रतिनिधि असलेले श्री. बेनगल नरसिंगराय, आय्. सी. एस्. यांनीं ओटावा येथें गेल्या दि. १७ रोजीं भाषण करतांना असें सांगितलें कीं, भारताची राज्यघटना तयार करतांना (युरोपीय) कानडा देशांच्या राज्य घटनेतील तत्त्वांचा अभ्यास करून त्यांतील आवश्यक नियम स्वीकारण्यांत आले आहेत. विशेषतः निवडणुकीं करण्यांत होतां होईल तों अडथळे होऊं नयेत ह्मणून हि खबरदारी घेतली आहे. भारत कोणतीहि योग्य जबाबदारी आपल्या अंगाबाहेर फेंकूं इच्छीत नसून, आपल्या सद्विवेकबुद्धीस व न्याय नीतीस अनुसरून आंतरराष्ट्रीय व्यवहारांत जपून आपलें पाऊल हाकीत आहे. मात्र भारताच्या आचरणाची न्याय्या-न्याय्यता भावि इतिहासकारच ठरवितील. त्याबाबत आज भारतानें मतप्रदर्शन करणें वाजवी होणार नाहीं.

संयुक्त राष्ट्र-सद्भाव समिति

कोरियाच्या वादाचा निर्णय करण्याकरितां संयुक्त-राष्ट्राची सद्भाव समिति चीनशीं चर्चा करीत असून, त्याबाबत अद्यापि चीनकडून उत्तरच आलेलें नाहीं. उत्तर कोरियांत शांति प्रस्थापना करण्याकरितां तसेंच दोन्ही कोरियांचें समीलन व सामिलीकरण करण्याकरितां ३८ अंक्षांश रेखा ओलांडण्यांचें कार्य संयुक्त राष्ट्राचें सैन्य करील काय, हा प्रश्न अद्यापि अनिर्णीतच आहे.

गरजूंना कपडा दुर्मिळ!

कारवारच्या सरकारी व सरकार मान्य अशा दोन्हीं दुकानांत कपडा येतांच २-३ दिवसांतच खपून जाऊन खरी गरज असलेल्यांनां मिळतच नाहीं असा अनुभव आहे. कांहीं नंदनगदा कापड दुकानदारांचे हस्तक अनेकांच्या कुपनांवर सदर दुकानांतून कापड नेतात व सदर व्यापाऱ्यांमार्फत तोच कपडा जवळ जवळ दीडपट किमतीस विकला जातो असें खात्रीलायक समजतें. नांवच घ्यावयाचें ह्मणजे नेवरेकर नांवाचा इसम अशा हस्तकांत अग्रगण्य समजला जात आहे.

गेल्या कित्येक महिन्यांपासून चालत असलेल्या या काळ्या बाजाराकडे अधिकाऱ्यांचें लक्ष कसें जात नाहीं याचें आश्चर्य वाटतें. अशातऱ्हेनें हकीकत जाहीर झाल्यास मग गुन्हेगार सावध होऊन पकडणें कठीण जाईल हें खरें परंतु निरूपायानें जाहीर करावेंच लागत आहे.

आतांतरी संबंधित अधिकारीवर्ग याबद्दल योग्य उपाय योजना करतील काय?

स्थानिक समाचार

उष्म्याचें प्रमाण वाढत्या प्रमाणांत आहे.

— नुकत्याच पार पडलेल्या शिरगणतींत कारवार जिल्ह्याची लोकसंख्या ५,१७,४६५ असल्याचें आढळून आलें आहे. ही लोकसंख्या १९४१ मधील लोकसंख्येपेक्षां ७६,३११ नीं अधिक आहे. तसेंच कारवार शहराची चालू लोकसंख्या १९५७० असल्याचे आढळले.

— गेल्या दि. ११ रोजीं येथील परिसरांतील बाडच्या शेतकी शिक्षण प्रधान कन्नड प्राथमिक शाळेंत सभोंवतालच्या ३१ शाळांतील बाल-बालिकांचें क्रिडासंमेलन, कन्नड ट्रेनिंग कॉलेजचे प्राचार्य श्री. काळे यांच्या नेतृत्वाखालीं मोठ्या उत्साहानें पार पडलें. क्रीडा-नैपुण्यांतील ज्यास्त बक्षिसें बाड शालाविद्यार्थ्यांस व इतर बक्षिसें कारवारच्या कन्नड शाळेतील विद्यार्थिनींस जिळालीं.

— कारवारांत एक कॉलेज उघडण्याची गोवा [illegible] निअन् मिशनच्या रे. फा. लुईस डेनिस यांची अत्यंत उत्कट इच्छा होती. पण गोव्यांतील कॅथोलिक धर्मगुरूंनीं या योजनेला तात्काल खो घातला. कारवार जिल्ह्यांत या धर्मगुरूंच्या वाढत्या उपद्व्यापाना आळा घालण्याचे पवित्र कार्य भारत सरकारनें अंगिकारावें, ह्मणून सुकेरी-बाड ख्रिस्ती उद्धार संस्थेचे अध्यक्ष श्री. आय्. पी. रुजारियो यांनीं जाहीर विनंतिपत्रक काढलें आहे. गोव्यांतील ख्रिस्ती धर्मगुरू खरे धर्मसेवक नसल्याचीहि त्यांत ग्वाही दिली असून, या बनावाकडे भारताचे पंतप्रधान श्री. नेहरू यांचेहि लक्ष वेधण्यांत आलें आहे.

— येथील नगरपालिकेच्या नूतन निवडणुकींत अध्यक्ष पदाच्या जागीं येथील प्रसिद्ध वकील श्री. माधवराव कसबेकर यांची व उपाध्यक्षाच्या जागीं सौ. सुहासिनी बोरकर यांची निवड झाली. सौ. बोरकर या महिलामंडळाच्या वतीनें स्त्रियांच्या उन्नतीसाठीं विशेष परिश्रम घेत असतात. उभयतांचें आम्हीं हार्दिक अभिनंदन करतों.

— येथील सरकारी कापड दुकानासमोर कारवार अर्बन को-बँकेच्या दुकानापुढें बांधल्याप्रमाणें हंगामी छप्पर उभारणीची त्वरित व्यवस्था व्हावी. त्याच्या अभावीं भर उन्हांत गिऱ्हाईकांना रांगेत तळपावें लागतें, अशी त्याची विनंति आहे.

— गेल्या होळीच्या उत्सवांत व्यापाऱ्यांच्या दुकानाच्या फळ्या लांबविणें सामानाची नासधूस करणें येथील उर्दु शाळेची मुत्री मोडून पार जाळून टाकणें, असले समाज विघातक व विध्वंसक प्रकार घडून आल्याचें समजतें. यांचा वेळींच बंदोबस्त न केल्यास नागरिकांचें फार नुकसान होईल व समाज जीवनांत व्यत्यय येईल. तरी अशा गुन्हेगारांचें योग्य पारिपत्य करण्याकडे पोलिस खात्यानें लक्ष पुरवावें.

विचारी, रविवार ता. १ माहे एप्रिल १९५१

मुंबई राज्यांतील सामाजिक सुधारणा

मागील दोन अंकांत मुंबई राज्यांतील विविध सुधारणांची ढोबळ माहिती आम्ही दिली होती. आज त्यांतील सरकारपुरस्कृत विशेषत: सामाजिक सुधारणांचा अहवाल देण्यांचें योजिलें आहे. महात्मा गांधीजींच्या प्रेरणेमुळें भारतांत सामाजिक सुधारणेचें पाऊल पक्कें रोवलें गेलें असून त्या दिशेनें प्रगतीचे टप्पे पुढें पडत असलेले आज उघड दिसत आहेत. गेल्या पांच वर्षांत कॉंग्रेस राजवटींत घडून आलेल्या सुधारणांचा तपशील त्रोटकपणें खाली दिला आहे.

बहुपत्नीकत्वाला प्रतिबंध

हिंदूंत व मुस्लिमांत बहुपत्नीकत्वाची चाल प्राचीन कालापासून रूढ आहे. परंतु अलीकडे हिंदु समाजांतील सुशिक्षित वर्गांत या चालीविरुद्ध उघड निषेध प्रदर्शिला जात आहे. तथापि सुबुद्ध लोकमत जागृत होऊनहि ही चाल लौकर बंद पडण्याची आशा दिसत नव्हती! सामाजिक कार्यकर्त्यांनीं उपदेश, बहिष्कार, ह्मणजेच सामदामादि उपायांनीं या चालीस आळा घालण्याचा कसून प्रयत्न केला. पण त्यांना त्यांत यश आलें नाहीं. ह्मणून हिंदूंतील बहुपत्नीकत्वाच्या रूढीविरुद्ध सन १९४६ मध्यें सरकारनें कायदा मंजूर केला. तेणेंकरून अशीं लग्नें त्यापुढें रद्द बातल समजण्यांत यावींत आणि गुन्हेगारांना सात वर्षें पर्यंत शिक्षा व दंड करण्यांत यावे असें ठरलें आहे. विवाहित स्त्रियांना त्यांच्या नवऱ्यांच्या अखंड जाचणीपासून सुटका करण्याकरितां घटस्फोट घेण्यास वाव देणारा जादा कायदाही मंजूर करण्यांत आला आहे.

अस्पृश्यतानिर्मूलन

स्त्रियांवरील विवाहविषयक अन्याय कमी करण्याचे वरील उपाय चालू असतांनाच अस्पृश्यतानिवारणाचे प्रयत्नही जारीनें सुरू आहेत. गांधीजींनीं यांबाबत आपल्या जिवाचें रान केलें! तीच प्रथा प्रचलित सरकारनें जारींत आणली असून सार्वजनिक देवस्थानांत हरिजनांना मुक्तद्वार असावें याबद्दल कायदा करण्यांत आला आहे. हरिजनांना सरकारी व निमसरकारी संस्थांत आतां उघड प्रवेश असून कित्येक खास सवलतीहि त्यांना देण्यांत आल्या आहेत. तसेंच त्यांना कित्येक सार्वजनिक स्थानांत इतर सवर्णांयांसवेंच पूर्ण व समान हक्क देण्यांत आले आहेत. हरिजनांना याबाबतींत अडथळा करणारांविरुद्ध कायदेशीर इलाज करण्यांत येत आहेत.

बाल गुन्हेगारांची सुधारणा

अनाथ व वाट चुकलेल्या मुलांची सुधारणा करून त्यांस पुढें उत्तम नागरिक बनविण्यासाठीं सरकारकडून कसून प्रयत्न चालू आहेत. अनाथ मुलांना संरक्षण देणें, दारूसारख्या कित्येक घोर व्यसनांपासून त्यांची पुरती सुटका करणें, या दिशेनें ठिकठिकाणीं 'रिमांड होम' स्थापून सरकारच्या नेतृत्वाखालीं पद्धतशीरपणें प्रयत्न चालू आहेत. लहान मुलांना क्रूरतेनें शिक्षा करणें, भीक मागण्याकरितां त्यांचा दुरुपयोग करणें, वेश्याव्यवसायांत त्यांना नकळत गुंतविणें, कित्येक तासपर्यंत अयोग्य रीतीनें त्यांजकडून श्रमाचें काम करवून घेणें, वगैरे प्रकार नवीन कायद्याखालीं गुन्हे ठरविण्यांत आले आहेत.

जाति-बहिष्कार

हिंदु धर्मांत जातीय बहिष्काराचे (किंवा जातीबाहेर बाळींत टाकण्याचे) प्रकार प्राचीन कालापासून चालू आहेत. धर्मगुरूंकडून अनेक हिंदु समाजसुधारकांना असें बाळींत टाकण्यांत आलें होतें आणि त्यांचा विविध प्रकारें छळ करण्यांत येत होता. प्रचलित सरकारनें १९४९ सालीं या अनिष्ट प्रकाराविरुद्ध कायदा संमत करून धर्मगुरूंच्या असल्या समाजविघातक चळवळींना कायमची बंदी घातली आहे. त्यालागायत जाति-बंदी बेकायदेशीर ठरविण्यांत आली असून तिजविरुद्ध उघड किंवा गुप्तपणें चळवळ करणारेहि शिक्षार्ह आहेत. सामाजिक सुधारकांना त्यामुळें ताजा हुरूप येण्यास मदतच झाली आहे. जाति-बहिष्कृतांना फिरून शुद्ध करण्याकरितां त्यांजकडून हिंदु धर्मपीठाच्या आचार्यांनीं मोठ्या रकमा दंडादाखल वसूल करणें, इत्यादि प्रकारांना वरील कायद्यानें बंदी आहे.

इतर सुधारणा

याशिवाय आदिवासी मुलांत सर्रास मोफत प्राथमिक शिक्षणाचा प्रसार, धंदेशिक्षणाच्या सोई, शेतकी सुधारणेकरितां पड जमिनी सवलतीच्या दरानें देणें, घर बांधणीकरितां बिनव्याजी कर्जे अधिकृत सहकारी पतपेढ्यां मार्फत पुरविणें, ग्रामीण विभागांत सर्वोदय केंद्रें उघडून त्यांच्यामार्फत खेडुतांचा सर्वांगीण विकास घडवून आणण्याचा प्रयत्न करणें, स्त्रियांना त्यांच्या योग्यतेनुरूप योग्य जागीं नोकरी करण्यास मुक्तद्वार असणें, शेतकी व्यवसायापायीं जुनीं कर्जे काढलेल्या श्रमिकांची, आसुरी सावकारी पाशापासून दिवसेंदिवस मुक्ति करण्याकरितां इष्ट उपाय

योजणें, जमिनीचे अनेक तुकडे करणेस कायद्यानें बंदी करणें, खेडुतांना उत्तम बी-बियाणें सवलतीच्या दरांनी शेतकी खात्यामार्फत पुरविणें, शेतकऱ्यांनीं निर्माण केलेल्या वस्तूंचा योग्य दर त्यांस न मिळतां, मधले दलाल नफ्याचें लोणी आयतें उचलतात, म्हणून अशा दलालांपासून सहकारी संघांमार्फत खेडुतांची सुटका करणें, दुकानांत नोकरांनीं काम करण्याच्या वेळांवर योग्य नियंत्रणें घालणें, मोठमोठ्या शहरांतील इमारतींच्या भरमसाट भाड्यांवर नियंत्रणें घालणें, मोटर वाहतूक सरकारनें आपल्या देखरेखीखाली घेऊन समाधानकारक रीतीनें चालविणें, ग्रामीण विभागांत विद्युच्छक्ति पुरवून प्रकाशाचा पुरवठा करणें, स्वच्छ पिण्याचें पाणी उपलब्ध होण्याकरितां खेड्यांतून जागोजागीं विहिरी खणणें, रोग्यांचा आजार व प्राणघातक सांथी हटविण्याकरितां खेड्यांच्या टापूंत फिरते दवाखाने उघडून वैद्यकीय आज्ञाऱ्यांच्या घरांच्या दारांत आणून सोडणें, डी. डी. टी. प्रकारांनी कित्येक वर्षांपासून मलेरिया पासून त्रस्त खेडुतांची निरंतर सोडवणूक करणें, मोफत वाचनालयें स्थापणें, ग्रामपंचायतींमार्फत रेडियो-केंद्रें मध्यवर्ती खेड्यांत उघडून खेड्यांतील जनतेचें मनोरंजन व (शक्य तर ज्ञानप्रसारद्वारा) मनोविकासही घडवून आणणें, इत्यादि भरघोस उपाय प्रत्यक्ष सामाजिक सुधारणेच्या चौकटींत बसत नसल्याचें प्रथमदर्शनी कोणास दिसलें तरी त्यानें अंमळ सूक्ष्म विचार केल्यास, सामाजिक सुधारणेचा सर्वांगीण व्यापक अर्थ करतां प्रगतीस ते पोषकच असल्याचें त्याचें लक्षांत येईल, यांत शंका नाहीं.

कारवार तालुका बाड मतदार संघांतील सर्व मतदारांस
जाहीर विनंति

कानडा जिल्हा लोकल बोर्ड बाड मतदार संघाच्या दि. १६ माहे एप्रिल १९५१ रोजीं होणाऱ्या पोट निवडणुकींत माझ्या मित्रमंडळीच्या प्रोत्साहनावरून व सार्वजनिक संस्थेतून माझ्या हातून कांहीं सेवा घडावी या हेतूनें मी एक उमेदवार म्हणून उभा राहिलों आहे. या निवडणुकींत प्रत्येक मतदाराला एकच मत आहे. तरी, बाड विभागांतील प्रत्येक मतदारानें आपलें मत मलाच देऊन निवडून आणून उपकृत करावें. व त्यांची सेवा करण्याची मला संधि द्यावी. माझी निशाणी घोडा असून त्याच्या मागें मतदारांनीं खालीं दाखविल्याप्रमाणें X अशी एकच खूण करावी. कळावें, लोभ असावा ही विनंति.

कारवार जिल्हा कलाप्रदर्शन

कारवार मराठी वाङ्मय मंडळाचे विद्यमानें कारवार येथें मे महिन्यांतील पहिल्या आठवड्यांत कारवार जिल्ह्यांतील कलाकारांच्या कलाकृतींचें प्रदर्शन भरविण्याचें ठरविलें आहे. कारवार जिल्ह्यांतील व जिल्ह्याबाहेर असलेल्या कारवारी कलाकारांना यांत भाग घेतां येईल. हें प्रदर्शन त्याच सुमारास कारवार येथें भरणाऱ्या महाराष्ट्र साहित्य संमेलनाच्या ३४ व्या अधिवेशनाची संधि साधून सोईस्कर होईल या दृष्टीनें भरविण्यांत येणार आहे. या कला-प्रदर्शनांत सर्वांनीं आपापल्या कलाकृती पाठवून देऊन व सदर प्रदर्शनास इतर तऱ्हेनेंही मदत करून प्रदर्शन सजविण्यास हातभार लावावा अशी विनंति आहे.

प्रदर्शनांत खालील बाबींचा समावेश केला जाईल:- क्रॅफ्ट, भरतकाम, रांगोळी, पेंटिंग, डिझायनिंग, (टेक्सटाईल वगैरे) फोटोग्राफी, पब्लिसिटी आर्ट, मॉडेलिंग, सुतारकाम (देव्हारे, काट्या, मूर्ती इत्यादि)

पत्रव्यवहार खालील पत्त्यावर करावा.

डॉ. वामन वाघ, अध्यक्ष, मराठी वाङ्मय मंडळ, दुर्गा सदन, कारवार.

कारवार तालुका बाड मतदार संघांतील सर्व मतदारानां
जाहीर विनंति

सर्व मतदार बंधूंनो, माझे चुलते दत्तात्रय सुका नाईक हे परलोकवासी झाल्यामुळें रिकामी झालेल्या कानडा जिल्हा लोकल बोर्ड मेंबरची जागा येत्या दि. १६ माहे एप्रिल १९५१ रोजीं फेर निवडणूक होण्याची ठरलेली आहे. मी सर्व मतदारानां अनोळखा नसून, सार्वजनिक संस्थेंत म्हणजे कारवार अर्बन बँकेंत सध्यां मी मेंबर आहे. माझ्या चुलत्यांनीं पुष्कळ वर्षांपासून अनेक सार्वजनिक संस्थांत भाग घेऊन जनसेवा केलेली आहे ही गोष्ट सर्वांना विदितच आहे. मीही पण यथाशक्ति त्यांचें अनुकरण करून आपली सेवा करूं इच्छितों. तरी ही सुसंधि आपण मला प्राप्त करून द्याल अशी आशा बाळगतों. माझी निशाणी सायकल असून त्याच्या मागें X अशी एकच खूण करावी. प्रत्येक मतदाराला एकच मत आहे. कारण आपलें एकच मत माझ्या सायकल या निशाणीच्या मागें देऊन उपकृत करावें, अशी माझी सर्व मतदार बंधूना नम्र विनंति आहे.

कुसा रामचंद्र नाईक	X	

कारवार, ता. २६-३-५१ | आपला प्रेमाकांक्षी, कुसा रामचंद्र नाईक.

दारूबंदीचे यशापयश

"दारूबंदी योजनेनुसार लोकांना अनेक वर्षे जडलेले व्यसन मुंबई सरकारला घालवावयाचे आहे. त्यामुळे या योजनेचा परिणाम एका वर्षातच कसा दिसू शकेल? दारूबंदी यशस्वी की अयशस्वी हे ठरविण्यासाठी कमीत कमी १० वर्षे तरी लोटली पाहिजेत," असे उद्गार मुंबई राज्याचे गृहमंत्री श्री. मोरारजीभाई देसाई यांनी गेल्या दि. २१-३ रोजी मुंबई विधिमंडळात काढले.

मुंबई राज्याचा किनारी बराच मोठा आहे. शिवाय पोर्तुगीज गोवा व त्यांची दीव व दमण बेटे मुंबई राज्याशी निगडित आहेत. तेथे मद्यपानबंदीचा कायदा जारी नाही. समुद्रांतून गोव्याहून चोरटी दारू आणून विकणाऱ्या चाचेगीरांना पकडून शासन करण्याकरिता कमीत कमी ४ मुसज्ज लॉंचेस पोलिसांच्या ताब्यात देणे अत्यंत जरूरीचे आहे. तूर्त 'प्रिन्सेस' नांवाची मोठी लॉंच सरकारने विकत घेतली आहे. कारवारनजीकच्या किनाऱ्यांत चोऱ्या दारूची आयात थांबविण्याकरिता मुंबई सरकारकडून नुकतीच दोन लहान लॉंचेसची योजना करण्यांत आली आहे ही संतोषाची गोष्ट होय.

मद्यपानबंदीमुळे वार्षिक १२ कोटींचे सरकारी उत्पन्न बुडाले ही गोष्ट कबूल करूनहि तीमुळे जनतेचे होणारे फायदे त्या मानाने किती तरी शाश्वत महत्त्वाचे आहेत. कायदे केल्यावर ते उघड किंवा गुप्तपणे मोडणारे महाभाग सर्व देशांत आढळतात. त्यावरून त्या कायद्या विरुद्धच एकदम कोल्हेकुई करणे जनतेच्या पुढाऱ्यांना शोभत नाही. आज भारतांत जनतायुग सुरू असून जनतेचा सर्वांगीण विकास होण्याच्या दृष्टीने दारूबंदीसारखे प्रयोग सरकारला पूर्वसंकल्पानुसार जारी करणे प्राप्त झाले आहे. भारतांत काही उपद्व्यापी असामी एकीकडे सरकार विरुद्ध व्यर्थ टीकेचा भडिमार करीत आहेत; तर जगांतील अमेरिका, कॅनडा इत्यादि दारूबंदी नसलेल्या ओल्या प्रदेशांतील निमसरकारी संस्था भारतांतील या अभूतपूर्व प्रयोगाकडे आश्चर्यमिश्रित आदराने पाहत आहेत आणि त्यांच्या यशस्विलेविषयी आकडेवारी मागत आहेत. कारण त्यांनाहि आस्ते आस्ते दारूबंदी करावयाची असून ती प्रत्यक्ष कार्यवाहीत आणण्यास, ते सुरवातीस कचरत आहेत इतकेंच.

सोन्याची बेकायदेशीर चोरटी निर्यात

गेल्या दि. १६ रोजी बेळगांवचे कस्टम इन्स्पेक्टर द्वय श्री. शहापूरकर व श्री. ककेरी यांना गोव्याच्या हद्दीतून बेळगांवांत एकूण १२०० तोळे सोने आल्याची वर्दी आगाऊ मिळाली होती. त्यापैकी ६०० तोळे सोन्याच्या ४ लगडी बेळगांवच्या अगोदर तलावाजवळील पोलीस चौकीत दडपून ठेवलेल्या आढळल्या. त्यांची जप्ती करून रीतसार पंचनामा करण्यांत आला. गाडीकारानें आपल्या जबानीत सांगितले की, आपण १५० तोळे सोन्याच्या ८ लगडी त्या पोलीस चौकीत नेऊन पोलीसाच्या हवाली केल्या. बाकी ४ लगड्यांचा पोलीस तपास करीत आहेत.

सर्कीच्या दरावर नियंत्रण

मुंबई प्रांतांतील जिन व प्रेस यांनी सरकारास सर्की पुरविल्यानंतर आपल्यापाशी शिल्लक राहणारी सर्की ज्यास्त दराने विकता कामा नये असा इशारा मुंबई राज्य-सरकारानें गेल्या दि. १६ रोजी दिला आहे. सरकारी दरापेक्षा एका बंगाली मणाला १ रुपया ज्यास्त दर घेण्यांत आल्याचे आढळल्यामुळे त्यांच्याकडील उरलेला सर्व सर्कीचा साठा सरकार आपल्या ताब्यांत घेईल असा इषारा सरकारने दिला आहे

बोरिंग यंत्रांचे वांटप

मुंबई प्रांतांतील वेगवेगळ्या जिल्ह्यांत बोरिंग यंत्रांचे वितरण करण्याचें मुंबई सरकारनें ठरविले असून, धारवाड जिल्हा ८, विजापूर ३, बेळगांव ३ व उत्तर कानडा (कारवार) १. अशी दक्षिण भागांत वांटणी करण्यांत आली आहे

पोहे वांटणीची नवी व्यवस्था

हातानें भात कुटून पोहे तयार करणाऱ्यांना सरकारी भात पुरविण्याची जुनी पद्धत मुंबई सरकारनें चालू वर्षी जारीत आणली आहे. यापुढे त्या त्या विभागांतील ग्रामोद्योग समितींच्या मार्फतच सरकार पोहे तयार करणाऱ्यांना भात पुरविणार आहे. प्रत्येक जिल्ह्यांतून या समितीमार्फत प्रतिनिधि नेमण्यांत येतील. त्या प्रतिनिधींनी अशा इस्पांची केंद्रे संघटित करून त्यांच्या भाताची मागणी जिल्हाधिकाऱ्यांस कळविण्याची आहे. इच्छुकांनी अधिक माहितीसाठी ग्रामोद्योग समितीचे कर्णाटक विभागाचे कार्य कर्ते श्री. संजीवराव कोल्हापूर, धारवाड यांच्याशी पत्रव्यवहार करावा.

अकोल्यांतून चोरट्या सोन्याची निर्यात

गेल्या दि. १५ रोजी अकोल्याहून मोटरनें हुबळीला जाणाऱ्या दोघां उतारूपाशी मोटर स्टँडवर एकूण ८० तोळे सोने पोलीस शिपाई महंमद बशीर इस्माईल यांनी मोठ्या शिताफीनें पकडून जप्त केले. त्याच शिपायाने दि. १३ रोजी अकोल्यांत सेवेन आक्लॉक ब्लेडची ८ बंडले व इतर सामान बेकायदेशीरपणे आयात होत असतां जप्त केल्याचें समजते.

मूलोद्योग शिक्षणाची महति

मूलोद्योग शिक्षणाचा आदि हेतु विशद करतांना मॉर्गन हा नामांकित शिक्षण–शास्त्रविद् ह्मणतो–"जगांतील धकाधकीच्या मामल्यांत यशस्वीपणें जगण्यास तरुणांस समर्थ करणें हें मुख्यतः शिक्षणाचें अवतारकार्य होय. शिक्षणाचा उद्देश केवळ जगांतील असंख्य वस्तूंचें ज्ञान इच्छुक इसमांच्या डोक्यांत भरामर कोंबावें, हें नाही! तर मन, बुद्धि व अंतःकरण यांचा उत्तरोत्तर विकास खऱ्या शिक्षणानें झाला पाहिजे. बुद्धीचें पावित्र्य व मनाचा निश्चित मोकळेपणा, इतकी जरी शिक्षणामुळें पुरतीं लाभलीं, तरी तितक्या प्रमाणांत देशाच्या बौद्धिक उंचींत स्पृहणीय भर पडणार आहे."

प्रत्येक समाजांत ल्या ल्या राष्ट्राच्या संस्कृतीनुरूप विविध गुणदोषांचे घटक असतात. खऱ्या शिक्षणामुळें अशा इसमांचें दौर्बल्य व दोष सुधारण्याच्या पंथास लागलेच पाहिजेत· ह्मणजे, त्यांच्यापैकीं समर्थ असलेले तरुण पुढें मागें राष्ट्राचे सर्वोत्कृष्ट नागरिक बनून सबंध देशाच्याच कीर्तींत स्पृहणीय भर घालूं शकतील. ह्मणून प्रत्येक राष्ट्राला त्याच्या विशिष्ट संस्कृतीला अनुरूप अशी मूलोद्योग शिक्षणाची व विचारपूर्वक आंखण्यांत आलेल्या सर्वस्पर्शी विकासयोजनेची अत्यंत आवश्यकता असते. देशाच्या भूतकालीन संस्कृतींत अशा योजनेचीं पावलें पक्कीं रुजलेलीं असावींत. देशाच्या वर्तमानकालीन सर्व प्रामाणिक गरजांचा तिनें जरूर कानोसा घ्यावा आणि उज्ज्वल भविष्यकालाचीं चंदेरी स्वप्नें तिला नित्य पडावीं. राष्ट्राच्या आदर्श ध्येयाकडे तिनें सागरगामिनी नदीप्रमाणें सर्वांनां नकळत आकर्षावें. भारताच्या संस्कृतीस सर्वस्वीं परकी असणारीं परदेशी शिक्षणबीजें —मग तीं तेथें कितीही आकर्षक व यशस्वी झालेलीं असेनात का— मोठ्या आस्थेनें जशाचीं तशीं इकडे रुजवूं पाहिल्यास, तेणेंकरून आमच्या देशाची प्रगति साधण्याऐवजीं हटकून कार्यनाश मात्र पदरीं पडावयाचा!

मानव्याची प्रगति

फलाणें राष्ट्र आपल्या जनांगाचा सर्वांगीण विकास शिक्षणद्वारा कसा नकळत घडवून आणूं शकतें यावर त्याच्या शिक्षण-प्रयोगाचें यशोरहस्य सांठविलेलें असतें. ज्या शिक्षणाच्या ग्रहण-शोषणामुळें एकाद्या देशांतील तरुण नागरिक ज्यास्त प्रामाणिक, कार्यक्षम, चांगल्या अर्थानें आत्मसंतुष्ट व लोभपरांगमुख राहतील तें शिक्षण खरोखरी उत्कृष्ट ह्मटलें पाहिजे. अशा शिक्षणाच्या विविधांगी प्रयोगांमुळें व तज्जन्य परिणामांमुळें मानवाच्या शारीरिक, मानसिक व बौद्धिक परमाणूंचा ज्यास्तींत ज्यास्त विकास होईल व तो कधींहि अकर्मापासून उद्भवणाऱ्या पश्चात्तापाच्या गर्तेत कुजत-कण्हत पडणार नाहीं! राष्ट्रीय मूलोद्योग शिक्षणापासून विकसित झालेलीं तरुण विद्यार्थी विद्यार्थिनी पुढें आपल्या देशांच्या विकासास अचूक हातभार लावणारीं ठरलीं पाहिजेत. विशिष्ट देशाच्या संस्कृतीनुसार इष्ट तें ध्येय एकदाचें ठरविण्यांत आल्यावर त्याला मूर्त स्वरूप देण्याचे सर्व उपाय चतुराईनें अवश्य योजण्यांत आले पाहिजेत. तात्त्विक अमूर्त ध्येयांना मूर्त, पक्क्या व्यवहार चौकटींत बसविण्याचे बुद्धिपूर्वक प्रयत्न आंखण्यांत [illegible] पाहिजेत. विचार व आचार यांचा असा परस्पर समवाय साधून त्यांची अचूक सांगड घालतांना देशांतील जनांगांच्या विशिष्ट दोषलोपांचें निर्मूलन करण्याकडे व उच्च सद्गुणांचें दृढीकरण करण्याकडे विशेष लक्ष पुरविण्यांत आलें पाहिजे. शिक्षणाच्या योगानें शिक्षितांची शुद्ध बौद्धिक किंवा व्यावसायिक प्रगति साधते असें गृहीत धरूनही तेणेंकरून सबंध देशाचा शारीरिक, ऐहिक, नैतिक, सांस्कृतिक, आर्थिक, पारलौकिक किंवा आध्यात्मिक विकास होण्यास प्रतिबंधच होत असेल तर अशा शिक्षणापासून राष्ट्रास तादृश फायदा नाहीं असेंच कष्टानें ह्मणावें लागतें! ह्मणून, मूलोद्योग शिक्षण ह्मणजे सर्वांगीण सर्वोदयवादी राष्ट्रीय शिक्षणच होय. भारताच्या उन्नतीसाठीं जगद्वंद्य म. गांधीजींनीं अशा वर्धा-शिक्षणाची योजना प्रथम १९३७ सालीं देशापुढें ठेवली. तींत शिक्षणाबरोबरच अर्थार्जनाचीहि परस्पर अनुबंधी निकट सोय होती. दिवसांतून निदान तीन तास तरी प्रत्येक इसमानें शारीरिक श्रम किंवा हस्तव्यवसाय करण्यावर त्यांचा विशेष कटाक्ष होता. असें वृत्तिशिक्षण व यशस्वी सुसंबद्ध जीवित यांचा घड्याळांतील परस्परावलंबी वर्तुळाकार चाकाप्रमाणें सुंदर समवाय साधण्याचा बेत त्यांनीं योजिला होता. पण ती योजना प्रथम कित्येक नामांकित शिक्षण शास्त्रज्ञांना कसीसीच वाटली. पण गांधीजींनीं राष्ट्राच्या अंगभूत लोप दोषांवर नेमकें बोट ठेवलें होतें, हें नंतर सर्वांसच पुरतें पटून चुकलें. आज गांधीजीप्रणीत वर्धा शिक्षणयोजना तथा 'नअी तालीम' इची उभ्या जगांत प्रसिद्धि झाली असून जो तो विचारवंत तिचा कसून अभ्यास करीत आहे. हस्तशिक्षणामुळें व हस्तव्यवसायामुळें शरीरांतील व मेंदूंतील स्नायूंत व पेशींत सारखीच तरतरी राहते. व माणूस शरीरानें पंगु ह्मणजेच शरीरयात्रेस निरुपयोगी होण्याची आजच्या निर्भेळ बौद्धिक (हस्तव्यवसायहीन) शिक्षणाची निराशा-

NOTICE.

The Karwar Electric Supply and Trading Company, Ltd.
Durga Sadan, Karwar (Dist. North Kanara)

NOTICE is hereby given that the Karwar Electric Supply and Trading Company, Ltd., Karwar (District North Kanara) have submitted an application to the Secretary to Government Public Works Department, Bombay, for the grant of a license under section 3 of the Indian Electricity Act, 1910, to supply electrical energy throughout the Municipal limits of Karwar town and portion of District Local Board area comprising part of area of Nandangadda for the purpose and upon the terms specified in the draft license produced below :-

" The Karwar Electric License, 1951 ".

Applicant :- The Karwar Electric Supply and
Trading Company, Ltd ,
Durga Sadan,
KARWAR
(Dist. North Kanara).

DRAFT

THE KARWAR ELECTRIC LICENSE, 1951.

License granted by the Government of Bombay for the supply of Energy under tho Indian Electricity Act, 1910.

LICENSE- License is hereby granted to Karwar Electric Supply and Trading Company, Ltd , Karwar (North Kanara) carrying on business by a joint stock company under the name and style of the Karwar Electric Supply and Trading Company, Ltd., Karwar, and having its registered office at Durga Sadan, Karwar (North Kanara) to supply energy in the area with the powers and upon the terms and conditions specified below :-

1. Short title:- This license may be cited as **" The Karwar Electric License 1951 "**

2. Interpretation - In this license-

(1) "Act" shall mean the Indian Electricity Act, 1910;

(2) "Rules" shall mean the rules made under the Act;

(3) "Licensee" shall mean and include the said Karwar Electric Supply and Trading Company, Ltd., and its permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification, by the Secretary to the Government of Bombay in the Public Works Department and by the licensee ;

(5) " the commencement of this license " shall mean the date of the notification by the Government of Bombay in the Bombay Government Gazette by which this license is granted;

(6) "Government" shall mean the Provincial Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3 Security :- (1) The period within which the licensee shall show under sub-clause (a) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (b) of subsection (3) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (b) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. Area of supply.- The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as " the area of supply, " shall be the whole of the area comprised within the Municipal limits of Karwar town and a portion of D. L. B. area named Nandangadda, which are shown by yellow and red coloured lines respectively on the deposited map and are bounded as follows :-

(a) MUNICIPAL AREA OF KARWAR TOWN.

North - By Kali Nadi.
East - By portion of Kali Nadi creek and of Baad.
West - By Arabian sea.
South - By hills.

(b) PORTION OF D. L B. AREA NAMED NANDANGADDA.

North - By Sunkeri Village.
East - By Kali Nadi and Kathinkon village.
West - By portion of Kali Nadi and portion of Karwar Municipal area named Kodibag.
South - By Baad.

5. Area of Compulsory Supply:- (1) The licensee shall, within a period of three and half years from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map-

(1) From Power House to Police Headquarters Lines marked AKGMPRVB
(2) From Power House to Post Office towards the south up to KONE Rest house flag staff marked A C D E.
(3) From Post Office to Mitra Samaj Junction to D. S. P's bungalow marked D F N O W I.
(4) From Mitra Samaj Junction along Kaikini road up to Keshav Seth road Junction, marked F L G T H.
(5) Lane opposite Radhakrishna temple marked K L
(6) Sunday market area, depot road marked M N.
(7) Chandawarkar road marked O. P.
(8) Seth Shantaram house road, marked W R
(9) Bingeghat road, marked S, T.
(10) Murlidhar Math road marked M. U.

Note :- The supply of electrical energy shall be given during night time only till such time as sufficient day load is available.

(2) In the case of any difference between the description of streets mentioned in sub clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within one year from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within two and half years therefrom (provided, that permits are obtained from Government for materials required, within reasonable time).

(4) The licensee shall, every three months, submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License :- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause (5). or if in the opinion of Government, the progress made during any portion of the said period of three and half years is unsatisfactory, the license shall be liable to be revoked and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply :- (1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

Provided first, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved :—

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a competency certificate holder under the rules or orders issued by Government in this behalf or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply :- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three

or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :-

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above; and

(c) Any pressure up to 6600 volts for feeders and for supply to any large consumers for power purposes

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) the feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines, shall be laid under ground : Provided that:-

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(d) no poles for overhead lines shall be erectd in streets or thoroughfares, which are less than ten feet in width, for vehicular traffic ; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case, and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. Generating, Receiving, Transforming and Distributing Stations-

(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-station, if so desired by the Provincial Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short circuits etc., and the log book

Edited, printed and published by Shaik Esmail Shaik Adam at his Mohammedan Press, Karwar.

shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. Purchase of energy in Bulk :- (1) The licensee shall take from any Provincial Government generating station such power as he required for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. Rates :- Limits of Prices to be charged :- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans - A rate of annas thirteen per unit;

(b) for heating, refrigerating and other domestic and general purposes- A rate of annas six, pies six per unit.

Minimum charge:- A minimum charge of rupees four per month may be made in addition to meter hire whether energy to that extent has been consumed or not, or on the basis of number of points installed but not exceeding rupees four in any case.

(2) For motive power purposes and purposes other than those mentioned in items 1 (a) and (b) above :-

A standing charge per month for service at the rate of Rs. three per B.H.P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows:- Annas five per unit.

Note:- (a) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B. H P. connected to the installations.

(3) Meter Rent:- The rent to be charged for meters shall not exceed :-

Rupee one per month for a single phase A.C. Meter.

Rupee one and annas eight per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter a fixed rate of Rs. 2/- per mensem shall be charged for a twenty watt light and rupee one, annas eight for every additional twenty watts or part thereof burning for not more than six hours per night.

Note :- This is applicable to shops in bazar area.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Karwar town, or authority of D. L. B. area as the case may be, for the supply of energy to the said Municipality or D. L. B. for public lighting, upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. Unpaid Apprentices :- The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system.

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. Nomination of a Director by Government :- If the license is hereby assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. Agreement between the Licensee and the Managing Agents :—

The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (2) of the Act.

15. Breaking up of Streets :- The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. Breaking up of Railways :- In pursuance of the provisions of sub-section (5) of section 12 of the Act, the licensee is hereby specially authorized within the area of supply to break up the soil and pavement of the portions of any railway that may hereafter come so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16 be determined by Government whose decision shall be final.

17. Purchase of the Undertaking:- (1) The option of purchase given by sub-section (1) of section 7 of the Act shall be exercisable first on the expiration of twenty five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (1) of section (7) of the Act, which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase, shall be ten per centum.

(2) In accordance with clause (d) (ii) of sub-section (2) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking, or where energy is purchased, from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

18. Assignment of the License :— At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the province of Bombay in accordance with the law for the time being in force in the dominion of India under any enactment relating to companies for the time being in force there, and having authority to take over the license and the said undertaking, as the case may be, and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed, as aforesaid.

19. Submission of Annual Accounts :— The licensee shall submit to Government annually, before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial date in the form prescribed by Government.

20. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

Dated this Twelth day of March One Thousand Nine hundered and fifty one.

जनक परिणिति तेणेंकरून अजिबात टळते. मग तो केवळ मनोदृष्ट्या संपन्न असून काय कामाचा? शिवाय शरीराच्या अमांची कामें लहानपणींच करण्याची इष्ट संभव सतत अंगी बाणल्यामुळें लहान मुलांच्या ठायीं मानसिक सद्गुणांचा उदय व विकास होण्यास व विशेषतः आजच्या धकाधकीच्या परिस्थितींत धैर्य, निरलसपणा, परोपकारिता तरतरीतपणा, जीवनानंद, शिस्त व संघटना कौशल्य अंगीं बाणण्यास मोठीच मदत होत असते असें निरीक्षक तज्ज्ञांचें निश्चित मत आहे. असें शिक्षण सत्वास भारतांत सुरू होण्याइतकी अनुकूल परिस्थिती अविलंबानें निर्माण होवो हीच आमची मनीषा.

भूलोकावरील स्वर्ग म्हणजेच कश्मीर

अनेक चकाकणारे जलप्रवाह, नागिणीप्रमाणे धांव-असंख्य ओढे, स्फटिकाप्रमाणे शोभणारीं स्वच्छ विस्तृत सरोवरें, उत्तुंग बर्फाच्छादित नगराज, पर्वत-श्रेणींमधील सुगंध-पुष्पयुक्त मैदानें, भव्य चिनार-वृक्षांच्या सरोवरां-शेजारील आरामवाटिका व कुंजस्थली, अशा एकाहून एक वरचढ अनेक अद्भुत आकर्षणांमुळें कश्मीरच्या सुंदर दरीस शृंगार-विलासप्रिय मोंगल बादशहा जहांगीर यानें 'भूलोकावरील स्वर्ग' असें नांव दिल्यास त्यांत नवल तें कसलें?

दक्षिणोत्तर ८४ मैल लांबी व २५ मैल रुंदी असलेला समुद्रसपाटीपासून ५००० फूट उंचीवरचा हा भला मोठा भूभाग म्हणजेच ही अतिसुंदर कश्मीरची दरी. तिच्यांतून वाहणारी विस्तीर्ण पात्राची सुप्रसिद्ध झेलम नदी व तिला मिळणारे कालवे व सरोवरें या प्रदेशाच्या मधोमध आहेत. अमरनाथच्या यात्रेस फलगाम या पर्वत माध्याच्या ठाण्यावरून जावें लागतें. समुद्रसपाटीपासून १३००० फूट उंचीवरील तेथील अमरनाथ गुंफेतील जागृत शिवदैवत हें हिंदूंचें प्रमुख यात्रास्थळ होय.

कश्मीरची राजधानी श्रीनगर. तिला 'आशियांतील व्हेनीस' असें गौरवयुक्त अन्वर्थक नांव आहे. या शहरापासून कांहीं मैलांच्या अंतरावर जगप्रसिद्ध मोंगल बादशहांनीं बांधलेलीं सुंदर उद्यानें विखुरलीं आहेत. 'चष्मशाही' हें उद्यान शहाजहान बादशहानें १६३२ मध्यें सजवून तयार केलें. त्याच्यापुढें सुविख्यात निशात बाग (आनंदोद्यान) लागतें. हें उद्यान श्रीनगरापासून सव्वासात मैलांवर आहे. तें शहाजहानाच्या अमदानींत असफखानानें बांधलें. कश्मीरमधील हें सर्वांत मोठें व नामांकित उद्यान आहे. मऊ मऊ मखमलीसारखी हिरवळ, सुंदर सुवासिक फुलांनीं बहरलेले प्रफुल्ल ताटवे व इतस्ततः उडणारीं रंगीबेरंगी कारंजीं, यांमुळें या बागेस जणूं यक्षभूमीचेंच अमर स्वरूप आलेलें आहे! निशात बागेपासून दोनच मैलांवर ९३ हजार फूट उंचीवरील महादेव पर्वताच्या पायथ्याशीं सर्व उद्यानांत अत्यंत सुंदर असें शालीमार उद्यान आहे. त्याची मनोहर रचना जहांगीर बादशहानें जातीनें केल्याचा उल्लेख आढळतो. दल सरोवराच्या पश्चिम बाजूस चाळीस फूट उंचीवर 'नसीम बाग' (प्रेमोद्यान) आहे. त्यांत भव्य चिनार वृक्षांची नयनमनोहर राजी असून हें उद्यान अकबर बादशहानें तयार केलें. इटाली व स्वित्झर्लंड प्रमाणेंच कश्मीर हीहि सुंदर सरोवरभूमीच असून विस्तीर्ण व स्फटिकशुभ्र अशा त्यांतील दल सरोवराचें अमाप सौंदर्य कोणासहि नुसतें वेड लावणारेंच आहे म्हणाना!

कश्मीरचें हवामान समधात आहेच. खेरीज तें अतिशय उत्साहवर्धकहि आहे. निसर्गाचीं नाजुक, भव्य व कठोर अशीं त्रिविधस्वरूपी तांडवनृत्यें कश्मीरच्या हौशी व चिकित्सक प्रवाशाला डोळे भरून पहाण्यास लाभतात हें त्याचें भाग्यच नव्हे काय? जंगलामधील काळी अस्वलें, रानडुकरें, डहाण्या वाघ, यांच्या शिकारी करण्याकरितां ऑक्टोबर ते दिसेंबरपर्यंत कश्मीरात थंड व उत्तम हवामान असल्यामुळें घाडशी प्रवासी तेथें येतात. लडख हा कश्मीर सरहद्दीवरील सौंदर्यानें मढलेला टापू हिमालयांतील शिकारी इसमांचा अत्यावडीचा झाला आहे. तेथें सर्व प्रकारचीं जनावरें भरपूर सांपडतात. खेरीज त्यांतील दऱ्यांत व सरोवरांच्या परिसरांत बदकें, हंस, रानकोंबडे, तित्तिर इत्यादि विविध पक्षी विपुल प्रमाणांत आढळतात ते निराळेंच. सारांश, 'पृथ्वीवरील नंदनवन' हें नांव कश्मीरास सार्थ झालें आहे यांत मुळींच शंका नाहीं.

जिल्हाधिकाऱ्यांचा फिरतीचा कार्यक्रम

कारवार जिल्ह्याचे कलेक्टरसाहेब श्री. तय्यबजी यांचा **माहे एप्रिलचा** फिरतीचा कार्यक्रम खालील प्रमाणें आहे :—

दि. १० ते १३ होन्नावर, दि. १४ ते दि. १७ भटकळ, दि. १८ ते दि. २९ कुमटा, दि. २२ ते दि. २५ अंकोला.

स्थानिक समाचार

हवामान :— उष्मा वाढत आहे.

— येथील सरकारी कापड दुकानापुढें गिऱ्हाइकांच्या रांगा होऊन एकमेकांची ओढाताणहि होते. या धांदलींत कांहीं इसमांची रोकड चोरीस जाऊन पोलीस तपास सुरू आहे असें समजतें. तरी अशा भामट्यांपासून लोकांनीं सावध असावें व पोलिसांनींहि त्यांचा योग्य बंदोबस्त करावा.

— येथील नगरपालिकेच्या नूतन कार्यकारी मंडळाचे चेअरमन् येथील प्रसिद्ध वकील व महाराष्ट्र-एकीकरण-समितीचे उत्साही चिटणीस, श्री. दि. म. कुळकर्णी हे फिरून निवडून आल्याबद्दल आम्हीं त्यांचें हार्दिक अभिनंदन करितों. इतर कमिट्यांचें सभासद व चेअरमन् खालील प्रमाणें निवडून आले :— **कार्यकारी मंडळाचे सभासद** १) श्री तुकोबा शेट (२) श्री कलगुटकर (३) श्री बोरकर (४) श्री कळस (५) श्री शिरोडकर व (६) श्री पेडणेकर.

१) **स्कूल कमिटीचे चेअरमन्, श्री. कळस.**

२) **शहर सफाई कमिटीचे चेअमरन्, श्री. पांढरेकर.**

३) **घरांची किंमत व घरटॅक्स आकारणी कमिटीचे चेअरमन्, श्री. खादी मुल्ला.**

— येथील जिल्हा मॅजिस्ट्रेट साहेबांनीं गेल्या दि. २६ रोजीं हुकुम काढून दि. १३-९-५० च्या आज्ञेप्रमाणें चहादुकानाच्या उघडण्याच्या व बंद करण्याच्या वेळांवर घातलेली नियंत्रणें रद्द करून, तीं पूर्ववत् उघडीं राहण्यास पूर्ण मुभा ठेवली आहे.

— अंकोल्याच्यानजीकच्या समुद्रतीरावर गेल्या महिन्याच्या दि. २६ रोजीं पोलिसांनीं सुमारें रु. ३००० किंमतीचे दारूनें भरलेले १५० कुंजे हेरून जप्त केल्याचें समजतें. तसेंच गेल्या दि. २५ रोजी होटेगाळीहून होडींतून कोडीबागेत येणाऱ्या उतारूंजवळ बेकायदेशीर भात व तांदुळ कारवार लॉंच गस्तीच्या पोलिसांनीं जप्त केलें आहे. होड्याहि जप्त करण्यांत आल्या आहेत.

— येथील सरकारी हायस्कुलांतील १२ वर्षांचा विद्यार्थी, पीतांबर मीर्या तांडेल यंदा इंग्लिश स्कॉलर्शिप परीक्षेंत पहिला नंबर, इंग्लिश तिसऱ्या यत्तेंतहि पहिला नंबर, व प्रमाणपत्र परीक्षेंत दुसरा नंबर, असा येऊन उत्तीर्ण झाला. येथील मागासलेल्या हरकंत्र समाजांतील हा होतकरू विद्यार्थी असून त्याच्या बुद्धिवैभवाबद्दल अभिनंदनास पात्र आहे.

— हळियाळचे श्री. वेंकटेशराव देशपांडे यांनीं टेनन्सी कायदा रद्द करण्याकरितां मुंबई हायकोर्टांत दावा दाखल केला असून, त्या खर्चाबाबत कारवार तालुक्याच्या जमीनदारांच्या वतीनें रावबहादूर गणपतराव तेलंग यांनीं रु. ५०० पाठविल्याचें समजतें.

— सरकारास सर्वांत ज्यास्त धान्याचा पुरवठा केल्याबद्दल गतसालचें रु. १०,००० चें पहिलें बक्षीस मुंडगोड तालुक्यांतील **इंदूर** खेड्यास लाभलें आहे. बाकी चार बक्षीसांपैकीं रु. ५००० चें एक, **कारवार तालुक्यातील कैगा खेड्याला** मिळालें. याबद्दल आम्हीं त्या खेडुत मनःपूर्वक अभिनंदन करितों.

— येथील (पेनशनर) रहिवासी श्री. महाबळेश्वर विनायक **गांयतोंडे** यांची कुमारी विठाबाई, L. C. P. S. ही अहमदाबादच्या हॉस्पिटलमध्यें नोकरीवर होती. पुढील उच्च शिक्षण डब्लिनमध्यें घेण्यासाठीं गेल्या सप्ताहांत ती आयर्लंडांत गेली आहे. तिच्या पुढील विद्यार्जनांत आम्ही सुयश चिंतितों.

— येथें देवीचा किरकोळ आजार असून प्रतिबंधक इलाज चालू आहेत.

— येत्या मे महिन्यांत कारवारांत भरण्याच्या अखिल महाराष्ट्र साहित्य संमेलनाचा ३४ व्या अधिवेशनाचा कार्यक्रम गेल्या दि. १ रोजीं पुरता ठरविण्यांत आला. मुख्य संमेलनाला जोडून कलाविभागप्रदर्शन, महिला-विभाग, तसेंच नाट्य-विभाग, असे भरगच्च शाखासंमेलनाचें कार्यक्रम आखण्यांत आले आहेत. स्थानिक स्वागत समितीच्या वतीनें '**काळी ते गंगावळी**' नांवाचा कारवार जिल्ह्यातील लेखकांच्या लेखांचा मराठी प्रातिनिधिक संग्रह व 'कारवार वर्णन', अशीं दोन प्रकाशनें संमेलनसमयीं प्रकाशित करण्यांत येणार आहेत.

— गेल्या सप्ताहांत कारवारच्या पोलिसांनीं काळी नदीच्या तीरावर चोरट्या दारूची निर्यात करणाऱ्या दोन होड्या आंतील दारूच्या बाटल्यांसहित जप्त करून दोघां इसमांस अटक केली आहे.

— येथील अर्बन को. बँकेच्या किराणा दुकानांत ग्रामाच्या कुळकर्ण्यांचे शेरे आणल्यास गुरांच्या मालकांना गुरांच्या उपयोगासाठीं नियंत्रित दरांत पेंड मिळण्याची सोय नुकतीच झाली असून, तिचा सर्वांनीं फायदा घ्यावा. या उपक्रमाबद्दल बँकेचे चालक स्तुतीस पात्र आहेत.

Subject: License for the supply of
electricity at Karwar.

.....

Dear Sir,

I am directed to refer to your letter No.G.L./51/2 P-175 dated the 11-4-1951 on the above subject and to state that the following discrepancy has been observed in the notice of application for the above license published by you in the issues dt. 21-3-1951, 1-4-1951 and 11-4-1951 of 'The Vichari'

Under rule 12 of the I.E.Rules, 1937, you are required to deposit copies of the map of the proposed area of supply and the draft license at your own office and at that of your Agents (if any) and at the Office of every local authority invested with the administration of any portion of the proposed area of supply. The addresses of these offices are also required to be published, vide rule 15(1)(b) of the said rules Your advertisement in the issues of the Vichari referred to above does not make any mention of the offices of the local authorities etc.

2. I am to request you therefore to deposit copies of the map and draft license at the Offices of the local authorities concerned and to inform the public of it by public advertisement. I am to request you further to furnish a copy of the advertisement to above effect, to Govt.

D.A. Nil

Yours faithfully,

Asstt. Secy. to the Govt. of Bombay,

2. The Government of India letter No.425-Elec., dated the 17th May 1916, has been printed in the preamble of Government Order Public Works No.CW 6923, dated the 4th July 1916 a copy of which has already been forwarded to you with Government Letter No.LKB 1051 K, dated the 24th September 1951.

By order of the Governor of Bombay,

Assistant Secretary to the Government of Bombay, Public Works Department.

D.A.- Nil.

2.
DDD.
24/X/51.

Letter

To

The Assistant Secretary to Government
of Bombay, Public Works Department, Bombay.

No. Gen. 9472 Karwar, 20-11-1951.

Subject: Karwar ..Electric License.

Reference: Your letter No.LKB 1051 K dated 24-9-1951.

The draft license in question was scrutinized as per suggestions made in para 3 of Government of India's letter No 425-Elec.dated 17-5-1916 and there is no objection to grant the license.

The local authorities i.e.the President, Dist.Local Board,Kanara and the President, Karwar municipality were consulted in the matter and they too have no objection to the license being granted to the Karwar Electric Supply and Trading Co. They have not imposed any conditions so as to result in discouragement of electrical undertakings by the said company.

As per rule 8(2)(b) of this draft license condition, the licensee proposes to use aerial transmission line at a sufficient height across the streets through which taboots etc. are likely to pass and hence the question of laying underground mains does not arise.

I find that the rates quoted in clause 11 of the draft license for the supply of electric energy are excessively high. The rate of 0-13-0 per unit proposed as minimum for lighting purposes would be quite beyond the capacity of the people of Karwar. In case of the license for Sirsi town in this district, the maximum has been fixed at 0-8-0. The company also intends to have at the beginning a rate of 0-10-0 per unit. But this also would be beyond the capacity of the common people here. It would,therefore, be advisable to fix the ~~mx~~ maximum rate at 0-8-0, the same as in case of Sirsi.

The period of 3½ years specified(in the draft license in clause 5(1)) of the license for the execution of the work is also too long and may be curtailed to 12 months so

P.T.O

as to expedite the electrification of the town as early as possible.

o.c.signed
by D.M.

Addl. District Magistrate, Kanara.

Sir, Sub:- Karwar Electric Supply

The licence for above supply is being given to us by your goodness and it will require some time before it is issued to us finally. We want to begin the building work now and the monsoon is fast approaching. The management and iron and steel can not be ordered by us unless the licence received by us or a recommendation certificate for iron and cement etc is produced to the controller of cement or iron & etc. For cement we have to approach the controller of cement at Delhi through the Director of Industries. We therefore here-by approach your good-self to be kind enough to issue to us the necessa

certificate for getting the cement and Oblige and

Yours faithfully

at Karwar.

Sirs,

With reference to the interview which your representative and the Consulting Engineer had with me on the 21st instant, I have to inform you that in view of having proved by your representative that you have already expended an amount of Rs.40,000/- on the scheme, the amount of deposit to be paid by you is reduced from Rs.71,000/- to Rs.40,000/-

You are, therefore, requested to arrange to pay the above deposit in my name at an early date, so that Government will be requested to grant the necessary license thereafter.

Yours faithfully,

Electrical Engineer to Govt.

Address of the
applicant.. Durga Sadan. Karwar.

THE KARWAR ELECTRIC LICENCE, 1952

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910.

License- License is hereby granted to the Karwar Electric Supply and Trading Company Limited and having its registe office at Durga Sadan, Karwar District North Kanara to supply energy in the area with powers and upon the terms and conditions specified below:-

1. Short Title.- This license may be cited as "The Karwar Electric License 1952"

2. Interpretation.- In this license-

(1) "Act" shall mean the Indian Electricity Act, 1910

(2) "rules" shall mean the rules made under the Act

(3) "licensee" shall mean and include the said Karwar Electric Supply and Trading Company Limited and permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification by the Secretary to the Government of Bombay in the Public Works Department and by the licensee;

(5) "the commencement of this license" shall mean the date of the notification by the Government of Bombay in the Bombay Government Gazette by which this license is granted;

(6) "Government" shall mean the ~~Provincial~~ State Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. Security.-(1) The period within which the licensee shall show under sub-clause (a) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (b) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. Area of Supply.- The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as "the area of supply" shall be

be whole of the area comprised within the Municipal limits of Karwar Town and a portion of District Local Board area named Nandangadda which are shown by yellow and red coloured lines on the deposited map, and ~~is~~ are bounded as follows:- respectively

(a) Municipal area of Karwar Town	(b) Portion of District Local Board area named Nandangadda.
North - By Kali Nadi	By Sunkeri Village.
East - By Kali Nadi Creek and Baad	By Kali Nadi and Kathi-Kon Village.
West - By Arabian Sea	By portion of Kali Nadi and portion of Karwar Municipal area named Kodibag.
South - By hills	By Baad.

5. Area of Compulsory Supply.-(1) The licensee shall, within a period of eighteen months from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map -

(1) From Power House to Police Head quarters Lines marked AKGMPRVB.

(2) From Power House to Post Office towards the South upto KONE Rest House flag staff marked ACDE.

(3) From Post Office to Mitra Samaj Junction to District Superintendent of Police's Bungalow marked DANOWI. F

(4) From Mitra Samaj Junction along Kaikini Road upto Keshav Sheth Road Junction marked FLGT.H.

(5) Lane opposite Radhkrishna Temple marked K.L.

(6) Sunday Market area depot Road marked MN.

(7) Chandavarkar Road marked O P.

(8) Seth Shantaram House Road marked W R.

(9) Binge.ghat road marked S.T.

(10) Murlidhar Math Road marked MU.

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within six months from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within eighteen months therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License.- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of eighteen months is unsatisfactory, the license shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply.-(1) Subject to the provisions of this license and the Act and the rules the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes:

Provided firstly, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 kW. or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the

license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved-

(a) the form of requisition to be made by such owner or occupier for such supply of energy;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus, on such premises, has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply.- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :-

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.;

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above; and

(c) Any pressure upto 6600 volts for feeders and for supply to any large consumers for power purposes:

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever ~~xxxx~~ specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid underground:

Provided .....

Provided that -

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building;

(d) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68(2) of the rules, the maximum wind pressure shall be taken as fifteen pounds per square foot.

9. Generating, Receiving, Transforming and Distributing stations.- (1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P.W.D. Bombay

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-stations, if so desired by the ~~State~~ Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short-circuits, etc. and the log book shall be produced at any time on request to the Electrical Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. .....

135

10. Purchase of Energy in Bulk - The licensee shall take from any State ~~xxx~~ Government generating station such power as he requires for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (1) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. Rates-Limits of Prices to be charged.- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under ~~xx~~ clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method, namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans - A rate of annas per unit;

(b) for heating, refrigerating and other domestic and general purposes - A rate of annas per unit.

Minimum charge.- A minimum charge of per mon may be made in addition to meter hire whether energy to that extent has been consumed or not.

(2) For motive power purposes and purposes other than those mentioned in items 1(a) and (b) above :-

11. The rates to be charged by the licensee for energy supplied by him shall be governed by the provisions of Section 57 of the Electricity (Supply) Act, 1948 and other relevant provisions of law in force from time ~~xxx~~ to time.

Note.-(a) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B.H.P. connected to the installations.

(3).....

12.....

(3) Meter Rent.- The rent to be charged for meters shall not exceed -

Annas Twelve per month for a single phase A.C.Meter.
Rs one and Annas Eight per month for a poly phase A.C.Meter.

(B) Where energy is not supplied by meter, a fixed rate of Rs two per mensem shall be charged for a twenty watt light and Rs one and annas Eight for every additional twenty watts or part thereof burning for not more than six hours per night.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Kanwar Town and the authority of D.K.B. area for the supply of energy to the said for public lighting upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. Unpaid Apprentices.- The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system:

Provided that the number of such candidates tobe so employed at one time shall be limited to two.

13. Nomination of a Director by Government.- If the license is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall however have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. Agreement between the Licensee and the Managing Agents.- The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9(2) of the Act.

15. Breaking up of Streets.- The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. Breaking up of Railways.- In pursuance of the provisions

139

provisions of sub-section (5) of section 12 of the Act, the licensee is hereby specially authorised within the area of supply to break up the soil and pavement of the portions of the
so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16, be determined by Government whose decision shall be final.

16. Purchase of the Undertaking.- (1) The option of purchase given by sub-section (1) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (1) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (d) (ii) of sub-section (2) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

17. Assignment of the License.- At anytime after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the State ~~Province~~ of Bombay in accordance with the law for the time being in force in ~~Province~~ India, or, in Great Britain under any enactment relating to companies for the time being in force there and having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

18. Submission of Annual Accounts.- The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial data in the form prescribed by Government.

19. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

THE KARWAR ELECTRIC SUPPLY & TRADING CO., LTD.

Managng Agents :-

KANARA UNITED INDUSTRIAL CORPORATION LTD.

DURGA SADAN,
KARWAR.

REF. No. 52/68.....

Date 27th February 1952.

The Assistant Secretary to
the Government of Bombay,
Public Works Department,
Bombay.

Subject:License for the supply of Electricity at Karwar.

Dear Sir,

With reference to your letter No.IKB-1052 dated 14th - February 1952 on the above subject, we return herewith the Draft Licens duly approved and accepted, with the blanks duly filled in.

As regards your second para of the letter for the pay--ment of deposit, we will duly deposit the amount which may be fixed by the Electrical Engineer to Government and the agreement will be - duly entered.

We have to point out that as one of the Conditions of the License is to commence the works within six months from the grant of the License & as Karwar is isolated for nearly six months during the monsoon period, we have to commence the works of the building and - other operations, immediately and as we think it would take some time for the issue of the License we have to request you to grant permissi to commence the works so as to enable us to procure such of the materi like cement, Iron & steel etc which is under control & which takes a lo of time for its release.

Thanking you.

Encl.
1. Draft License.

Yours faithfully.

Re: License for the supply of electricity at Karwar.
Ref: This office endt.No.L88/13543 of the 27th February 1952.

The Karwar Electric Supply & Trading Co.,Ltd., the applicants for the above license, has deposited the amount of Rs.40,000/- as fixed by me, in the name of the Electrical Engineer to Govt., P.W.D., Bombay, in the Bombay Provincial Co-operative Bank Ltd., Bombay on the 29th February 1952 and it is, therefore, requested that the necessary license may be issued by Govt.

In this connection, it is stated that the representative of the comapny, who had called at my office informed me that the company is eager to take up the execution of works immediatel before the start of the monsoon, and complete the works as early as possible and for this purpose it likes to go ahead to procure the requisite materials with the reccommendations for priority from the authorities concerned. As the final grant of the license is likely to take some more time it is suggested that the company may be permitted to commence to execute the worl in anticipation of the grant of the license.

P.T.O.

The agreement, in duplicate, received from the Company is enclosed.

No.LKB 1052 K.

Public Works Department
Bombay Castle (Bombay No.
14th April 1952.

To

Messrs. The Karwar Electric Supply and Trading Company, Limited,
Durga Sadan, Karwar

Subject: License for the supply of electricity at Karwar.

Sirs,

I am directed to refer to the correspondence ending with the Govt. Letter No.LKB 1052, dated the 5-3-52 and to forward herewith the Karwar Electric License, 1952, to-get with a copy of the deposited map referred to therein, duly signed by the Secy. to Govt., P.W.D. and to request that its receipt may please be acknowledged at an early date.

2. I am to invite your attention to clause 3(2) of the license under which the security mentioned therein is required to be deposited with Govt. within 30 days from the commencement of the license. The security should consist of Govt. Promisory Notes of the market value of not less than Rs.2100 and the notes should be endorsed in favour of the Reserve Bank of India, Bombay.

3. I am also to invite special attention to clause 8(2) proviso(a) of the License and to inform you that the method of construction you propose to adopt should be approved in writing by the El. Engr. to Govt. before any work is started in connection with the supply.

4. I am further to invite your attention to section 21 of the Indian Electricity Act, 1910 and also to Clause 7 of the license and to state that you are required to submit in due course, for the sanction of Govt., the conditions that you wish to adopt for regulating your relations with the consumers. A model form in this connection should be obtained from the Electrical Engineer to Government.

5. I am also to forward herewith copies of the following ments for your information and guidance :-

(i) a copy of G.R. No.5527, dated the 28-5-31 regarding Electric power lines near Civil Aerodromes or landi grounds.

(ii) a copy of G.N.No.9175/27-I, dt. the 31-8-35 as amended, reg. notice of accidents and injuries und Section 33 of the I.E.Act, 1910.

(iii) a copy of G.N.No.620/36, dt. the 31-8-48 regarding rules and conditions for the grant of certificates of competency and licenses to electrical contractors under Rule 48 of the I.E.Rules 1937.

(iv) a copy of the opinion of the Solicitor to Govt. of India, dated the 11-12-16, in accordance with which the cost of the first pole on the consumer's premises should be shared between the licensee and the consumer.

Yours faithfully,

Dy. Secy.to the Govt. of Bombay,

The Karwar Electric License 1952.
Grant of - to the Karwar Electric Supply and Trading Company, Limited, Karwar.

Government of Bombay.
Public Works Department.
Resolution No.LKB 1052.
Bombay Castle (Bombay No. 1)
14th April 1952.

Letter No.GL/51/1 dated the 12th March 1951 from the Karwar Electric Supply and Trading Company Limited, of Karwar as under:-

"I have the honour to inform you that we have floated a joint stock company known as THE KARWAR ELECTRIC SUPPLY AND TRADING COMPANY LIMITED, for acquiring electric licence to supply electric energy to the town of Karwar and a portion of District Local Board Area named Nandangadde and accordingly apply you for the grant of Karwar Electric License 1951.

As required by the rules we have submitted herewith the following papers for your kind perusal:-

(i) Six copies in print of the draft of the Karwar Electric Licence 1951.

(ii) Four copies of the deposited map completed in accordance with the instructions.

iii) A map of transimittion and distribution system.

(iv) Three copies of questionnaire filled in as per appendix 'A' of the memorandum of instructions.

(v) A copy of the memorandum and articles of association of the company.

(vi) A treasury receipt for the fee of Rs.500/- paid into Government treasury.

(vii) A copy of the resolution passed by the Municipality to the effect that the municipality has no objection to the grant of Karwar Electric Licence to The Karwar Electric Supply and Trading Company Limited Karwar (North Kanara).

(viii) A copy of the resolution passed by the District Local Board as stated in (vii) above.

(ix) As required by rules we are publishing our draft licence in successive three issues of the local news-paper "Vichari" and copies of each of the three issues shall be forwarded to you as soon as they are published.

At first sight it would appear that the maxima rates in the draft licence are high; but in view of the actual rates of so many other electric supply companies, which have been started much before the war, with about one-third or even less capital than the present one and which have a standing of more than twenty years or so are charging actually annas eight per unit for lights and fans and still it is said they are not in a position to get reasonable returns, our proposed maxima rates would not look to be high when we have to spend three times or more for machinery and all other materials and have to incur comparatively much higher working cost.

Although....

Although we intend charging actually annas ten or even less per unit for lights and fans and about four annas for motive power, it is better to have the higher maxima sanctioned in the beginning to enable the company to increase the rates reasonably upto this maxima if it would not be in a position to work the concern in profit. If there would not be any provision for these maxima rates in the beginning it would go most troublesome to get them revised at a later date when required as there would then be a great opposition for same. We would thus request you to consider the question of such newly started concerns in the light of the above facts and sanction the rates proposed by us in the draft licence.

In the end we have to request you to kindly expedite the grant of our licence, as, if there is delay, we are afraid the prices of machineries and other materials may go high and thus become a costly affair for us to carry out the scheme.

Thanking you in anticipation."

Letter No.GL/51/2 dated the 11th April 1951 from the Karwar Electric Supply and Trading Company, Limited.

Government Letter No.3805/48 K, dated the 4th May 1951 to the Karwar Electric Supply and Trading Company Limited.

Letter No.G.L./51/3, dated the 16th May 1951 from the Karwar Electric Supply and Trading Company, Limited.

Memorandum No.LRM 31/4164, dated the 4th July 1951.

Memorandum No.PLA-KN-3/23855 dated the 21st August 1951 from the Chief Engineer, Dombay Electric Grid.

Government Letter No.LKB 1051 K, dated the 24th September 1951 to the Collector of Kanara.

Letter No.GCN 9472 dated the 20th November 1951 from the District Magistrate, Kanara.

Government Letter No.LKB 1052 K, dated the 14th February 1952 to the Karwar Electric Supply and. Trading Company.

Letter No.52/68, dated the 27th February 1952 from the Karwar Electric Supply and Trading Company Limited as under:-

"With reference to your letter No.LKB 1052 dated 14th February 1952 on the above subject, we return herewith the Draft License duly approved and accepted, with the blanks duly filled in.

As regards your second paragraph of the letter for the payment of deposit, we will duly deposit the amount which may be fixed by the Electrical Engineer to Government and the agreement will be duly entered.

We have to point out that as one of the Conditions of the License is to commence the works within six months from the grant of the License and as Karwar is isolated for nearly six months during the monsoon period, we

have.....

have to commence the works of the building and other operations immediately and as we think it would take some time for the issue of the License we have to request you to grant permission to commence the works so as to enable us to procure such of the materials like cement, Iron and steel etc. which is under control and which takes a lot of time for its release.

Thanking you."

Letter No.L-88/13886, dated the 3rd March 1952 from the Electrical Engineer to Government.

Government Letter No.LKB 1052 K, dated the 5th March 1952 to the Karwar Electric Supply and Trading Company Limited.

RESOLUTION:- In exercise of the powers conferred by Section 3(2) of the Indian Electricity Act, 1910, the Government of Bombay is pleased to sanction the grant of the license, appended hereto, under the aforesaid Act, to the Karwar Electric Supply and Trading Company Limited, Karwar, for the supply of electrical energy to the areas comprised within the municipal limits of Karwar Town and a portion of District Local Board area named Nandangadda.

2. The Government of Bombay is also pleased to authorise the Secretary to Government, Public Works Department, to sign the license on behalf of Government.

3. The license should be notified in the Bombay Government Gazette.

4. The deposited map referred to in Clauses 4 and 5 of the license and submitted by the licensee should be signed by the Secretary to the Government of Bombay, Public Works Department and dated to correspond with the date of the notification of the grant of license. It should then be recorded in the Secretariat, one copy each thereof being forwarded to the Electrical Engineer to Government and the Chief Engineer, Bombay Electric Grid for record in their offices.

PUBLIC WORKS DEPARTMENT.

Bombay Castle (Bombay No. 1), 14th April 1952.

INDIAN ELECTRICITY ACT, 1910.

No. LKB. 1052.—In exercise of the powers conferred by section 3(*1*) of the Indian Electricity Act, 1910, the Government of Bombay is pleased to sanction the following license under the aforesaid Act, being granted to the Karwar Electric Supply and Trading Company Limited, Karwar, for the supply of electrical energy in the areas and with the powers and upon the terms and conditions specified below :—

THE KARWAR ELECTRIC LICENCE, 1952.

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910.

License.—License is hereby granted to The Karwar Electric Supply and Trading Company Limited and having its registered office at Durga Sadan, Karwar, district North Kanara, to supply energy in the area with powers and upon the terms and conditions specified below :—

1. *Short Title.*—This license may be cited as "The Karwar Electric License, 1952"

2. *Interpretation.*—In this license—

(1) "Act" shall mean the Indian Electricity Act, 1910 ;

(2) "rules" shall mean the rules made under the Act ;

(3) "licensee" shall mean and include the said Karwar Electric Supply and Trading Company Limited and their permitted assigns ;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification by the Secretary to the Government of Bombay in the Public Works Department and by the licensee;

(5) "the commencement of this license" shall mean the date of the notification by the Government of Bombay in the *Bombay Government Gazette* by which this license is granted;

(6) "Government" shall mean the State Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. *Security.*—(1) The period within which the licensee shall show under sub-clause (*a*) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (*b*) of claues I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. *Area of Supply.*—The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as "the area of supply" shall be whole of the area comprised within the Municipal limits of Karwar Town and a portion of District Local Board area named Nandangadda which is shown in yellow and red coloured lines respectively on the deposited map, and are bounded as follows:—

(*a*) Municipal area of Karwar Town.	(*b*) Portion of District Local Board area named Nandangadda.
North—By Kali Nadi.	By Sunkeri Village.
East—By Kali Nadi creek and Baad.	By Kali Nadi and Kathinkon Village.
West—By Arabian Sea.	By portion of Kali Nadi and portion of Karwar Municipal area named Kodibag.
South—By hills.	By Baad.

5. *Area of Compulsory Supply.*—(1) The licensee shall, within a period of eighteen months from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map:—

(1) From Power House to Police Head-quarters Lines marked AKGMPRVB.

(2) From Power House to Post Office towards the South up to KONE Rest House flag staff marked ACDE.

(3) From Post Office to Mitra Samaj Junction to District Superintendent of Police's Bungalow marked DFNOWI.

(4) From Mitra Samaj Junction along Kaikini Road up to Keshava Seth Road Junction marked FLGTH.

(5) Lane opposite Radhakrishna Temple marked KL.

(6) Sunday Market area, Depot Road marked MN.

(7) Chandavarkar Road marked OP.

(8) Seth Shantaram House Road marked WR.

(9) Binge Ghat Road marked ST.

(10) Murlidhar Math, Road marked MU.

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within six months from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within eighteen months therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. *Revocation of License.*—If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of eighteen months is unsatisfactory, the license shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. *Purposes and Limitation of Supply.*—(1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes :

Provided firstly, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses ;

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW. or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses ;

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing and until Government have approved—

(*a*) the form of requisition to be made by such owner or occupier for such supply of energy ;

(*b*) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(*c*) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(*d*) the conditions which the licensee proposes to make to regulate his relations with his consumers :

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus, on such premises, has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. *System of Supply.*—(1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :—

(*a*) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.

(*b*) 400 volts between phases for motive power purposes and purposes other than those specified in (*a*) above ; and

(*c*) Any pressure up to 6,600 volts for feeders and for supply to any large consumers for power purposes :

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid underground :

Provided that—

(*a*) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government ;

(*b*) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate ;

(*c*) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(*d*) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic ; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as fifteen pounds per square foot.

9. *Generating, Receiving, Transforming and Distributing Stations.*—(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-stations, if so desired by the State Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short-circuits, etc., and the log book shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. *Purchase of Energy in Bulk.*—(1) The licensee shall take from any State Government generating station such power as he requires for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (1) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. The rates to be charged by the licensee for energy supplied by him shall be governed by the provisions of section 57 of the Electricity (Supply) Act, 1948, and other relevant provisions of law in force from time to time.

12. *Unpaid Apprentices.*—The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system:

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. *Nomination of a Director by Government.*—If the license is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall however have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. *Agreement between the Licensee and the Managing Agents.*—The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9(2) of the Act.

15. *Breaking up of Streets.*—The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. *Purchase of the Undertaking.*—(1) The option of purchase given by sub-section (*1*) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (*d*) (*ii*) of sub-section (*2*) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

17. *Assignment of the License.*—At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the State of Bombay in accordance with the law for the time being in force in India, or, in Great Britain under any enactment relating to companies for the time being in force there and having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

18. *Submission of Annual Accounts.*—The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial data in the form prescribed by Government.

19. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

Dated this fourteenth day of April one thousand nine hundred and fifty-two

By order of the Governor of Bombay,

G. V. BEDEKAR,
Secretary to Government.
